

The Midlands

THE MIDDLES IS PART OF ENGLAND. IT IS ITS HEART. IT IS CULTURE AND UNIVERSITY CENTER. THIS AERA IS VERY POPULATION.

❖ The Midlands is a cultural and geographic area. It is central England. It is situated near South East England, South West England, North West England, East of England and Wales. Its largest city is Birmingham. In modern terms the Midlands Almost all administrative functions for the English regions were abolished (упразднены).

Birmingham university

Harry Potter

An aerial photograph of the University of Oxford, showing various Gothic-style buildings and a large dome. The image is overlaid with a semi-transparent blue filter and technical graphics like circles and lines. The text is centered and reads:

University in Oxford, England. One of the oldest universities in the world, first in English and in the British Isles. The study took place in 1096. Included in the group of "ancient universities" great Britain and Ireland. University of Oxford holds (занимает) a leading position in the prestigious universities in the

A portrait of William Shakespeare, showing his face and curly hair, overlaid with a blue and purple gradient. The text is written in white, bold, sans-serif font over the portrait.

English poet , often considered the greatest writer. Often called England's national poet. All of his work consists of 38 plays, 154 sonnets, 4 poems and 3 epitaphs. Shakespeare's plays have been translated into all major languages and

The background is a dark blue gradient with a field of small white stars. On the right side, there are several technical diagrams. One is a large circular gauge with a scale from 0 to 210 and a needle pointing to approximately 180. Another is a smaller circular diagram with concentric circles and arrows. A third is a dashed circular path with an arrow. There are also some faint circular outlines in the top left and bottom left corners.
