RUUUUUUSSIA

- Russia is a Federation-a Union state consisting of Federal units. It consists of: Republic of Adygea, Republic of Altai, Republic of Bashkortostan, Republic of Crimea and others.

“Триколор”

- Russia has a flag called the Tricolour. The name comes from the fact that the flag has three colors: white at the top, blue in the middle and red at the bottom. White color symbolizes the nobility and frankness; Blue color — loyalty, honesty; Red color — courage, courage, generosity and love.

The Coat Of Arms Of The Russian Federation

- The emblem of Russia is a double-headed eagle, looking in different directions, covering Europe and Asia, a symbol of the unity of these two principles, which very accurately reflects the multinational structure of both Byzantium and Russia. It is a symbol of unification and unity of the Russian lands. The eagle is crowned with two small crowns and-above them-one large crown, connected by a ribbon. In the right paw of an eagle — a scepter in his left — power. On a breast of an eagle, in a red Board, - the silver horseman in a blue raincoat on a silver horse striking with a silver spear of the black dragon overturned backwards and trampled by a horse

Anthem of Russia

- The national anthem of the Russian Federation is one of the official state symbols of the Russian Federation, along with the flag and coat of arms. Music and the basis of the text were borrowed from the anthem of the Soviet Union

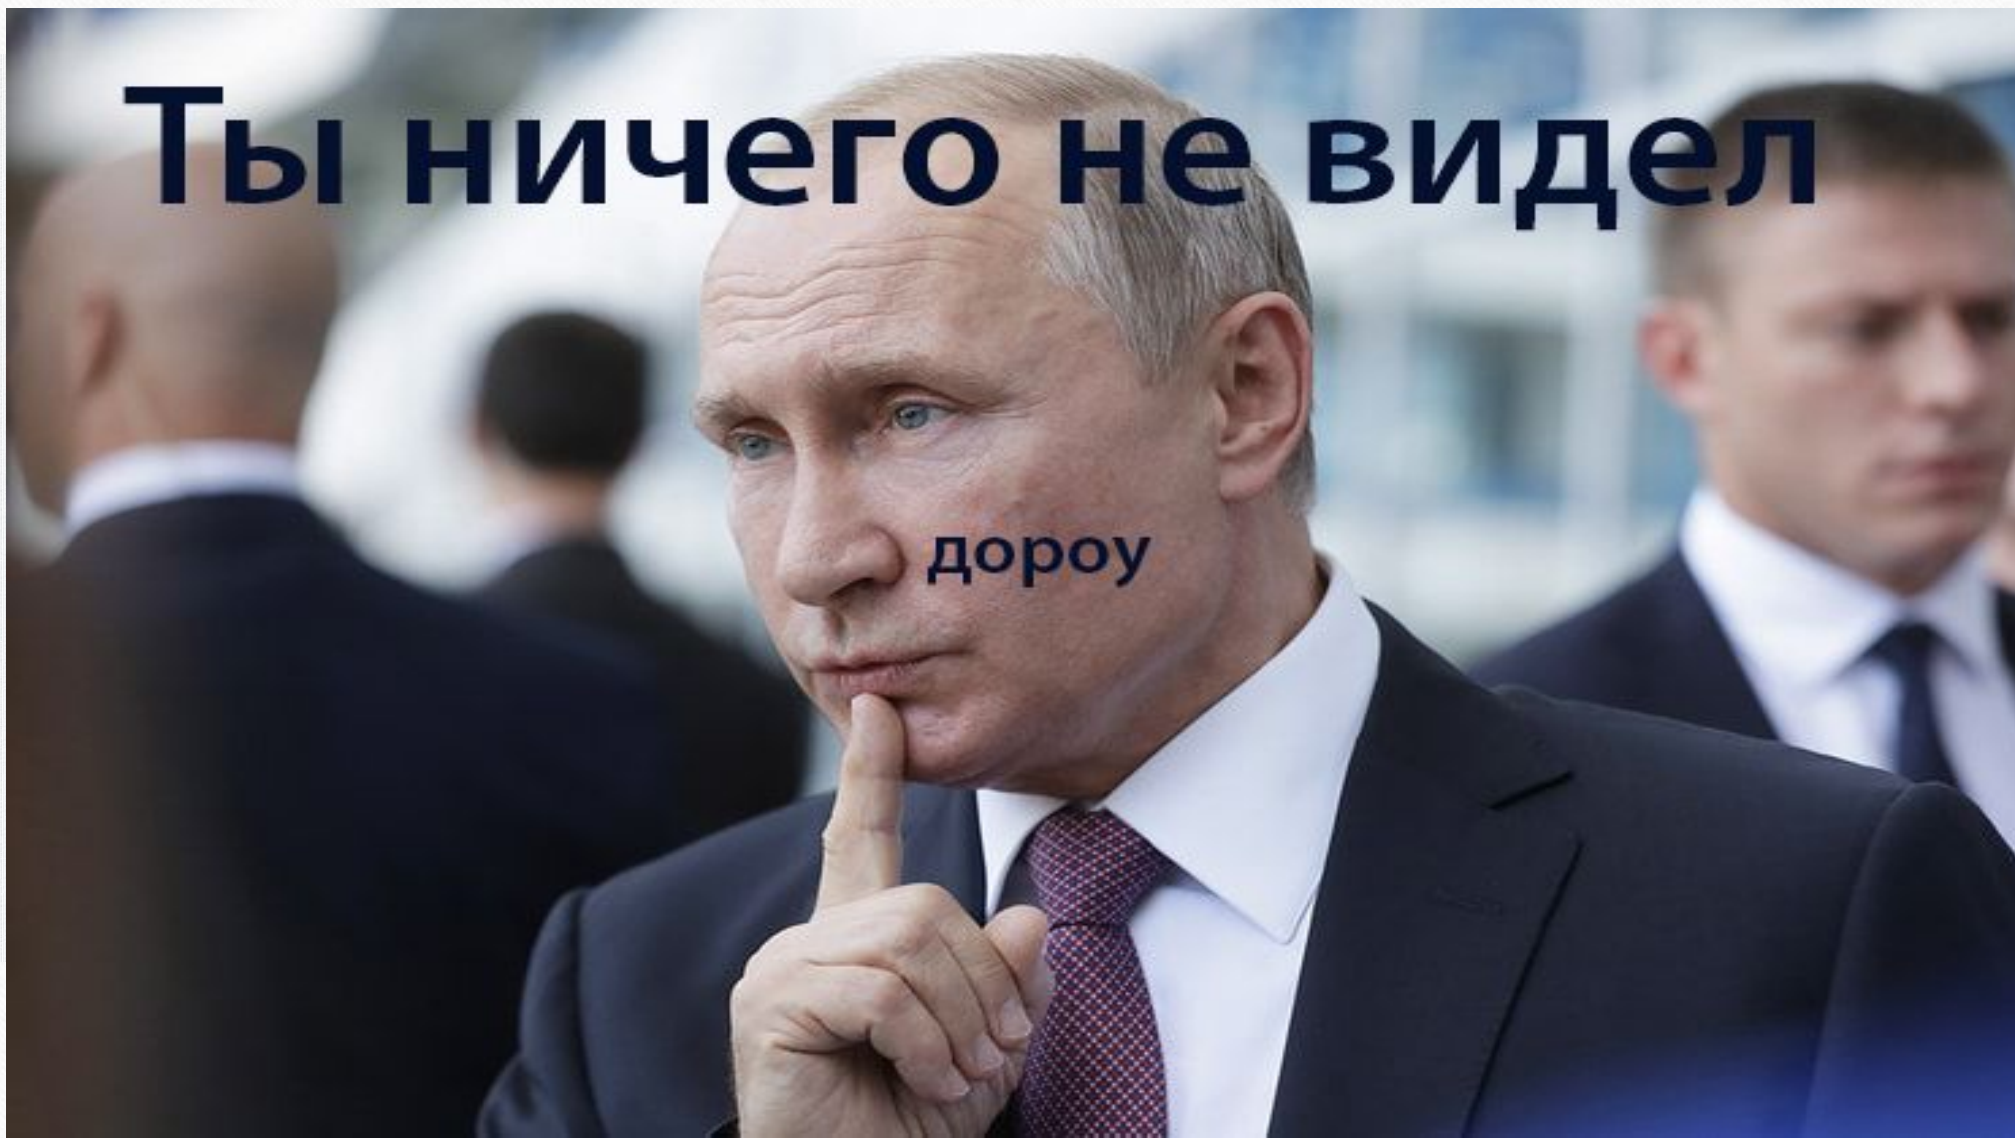

President of Russia

- And, of course, the greatest asset of the Russian Federation is its president Vladimir Vladimirovich Putin. Entered the service on December 31, 1999, will not leave the service ever. Supreme commander-in-chief of the Armed forces of the Russian Federation since 7 may 2000
