Three thin thieves thought a thousand thoughts. Now if three thin thieves thought a thousand thoughts how many thoughts did each thief think?

The group are at the Tower of London with Danny.

Grace This is great! And it was Joe's idea.

Lydia Right. Where's my phone? I want to take some photos for the competition.

Grace Shhh! Rory's writing notes.

Danny In the past, the Tower of London was a prison and it has lots of ghost stories. My favourite one is about Arabella Stuart. She haunts the Tower.

Ethan Really?

Danny Yes. It started like this. In 1610, Arabella and William Seymour fell in love and secretly married. But they were both the king's cousins and they didn't have his permission. The king arrested the couple when he heard about their wedding. Then he put William in the Tower. Arabella and William planned to escape and meet in France. William got to France but Arabella didn't escape and they put her in the Tower.

Lydia That's terrible!

Danny After that, it got worse. Arabella was a prisoner and her husband was in France. She stopped eating and in the end she died.

Lydia Oh, no!

Danny Honestly! The guards often see a woman in seventeenth-century clothes! One day, a guard followed her and suddenly she turned and looked at him. It was Arabella's ghost.

Grace No! Suddenly I feel very cold.

Rory You don't believe in ghosts!
