Dear Dima,

I recently read the story of Alice in Wonderland and I want to share my impressions!

In the story, a lot of unusual and interesting. The main character of the story is Alice. She started her adventure with a Rabbit

- 
- * She enters a strange world with a talking cat, Queen of hearts, mad Hatter and Rabbit. In the story she eats cakes and drinks water of the bottle. She is found with the dangers without fear of threats. In the story she walks in the gardens, the house Bunny.

* It ended up that what was happening was a dream that Alice was lying under a tree near those animals and playing cards.
