

# What was life 50 years ago

# At home 50 years ago

- 50 years ago the houses were very old. There were not many-storeyed houses, there were a lot of khrushchevites.

# Apartaments 50 years ago

• Then people washed clothes with their hands, heated food with a gas stove, they cleaned the floor with a brooms furniture was ordinary

# Cars 50 years ago

ago 🚗

Cars have become more refined then there were no navigators in the cars distinctive appearance car interior

# What will life be like in 50 years

# At home in 50 years

- Perhaps houses will be under water, they will have a new design.

# Apartments in 50 years

Maybe people will come up with something new like a new decor as shown in the picture a new design new amenities it is possible to forget about cleaning in general because mankind will come up with a new way for us that it seems that everything will change in a coordinated way.

# Cars in 50 years

- Also cars will be new they will much safer maybe they will fly and can even do a time car
