A problem has been detected and Windows has sent you this message.

SEARCH FOR SOLUTIONS

If this is the first time you've seen this message, it means your computer is having trouble starting Windows. Follow these steps:

Check to make sure any new hardware or software is properly installed. If this is a new installation, ask your hardware or software manufacturer for any additional updates you might need.

If problems continue, disconnect any new hardware or software and restart Windows. If you need to use safe mode to start Windows, see the Windows Help and Support Center for more information.

*** Search for updates for Windows.

*** Get help with Windows.

Restarting may take a few minutes. When you're ready, click the Restart button.

Дебра Граник

A vintage film projector is positioned on a table covered with a white cloth. The projector is illuminated from below, casting a warm glow. A bright beam of light projects from the projector onto a screen in the background. The screen displays the text "СПАСИБО ЗА ВНИМАНИЕ." in a bold, serif font. The entire scene is set against a dark background, creating a dramatic and nostalgic atmosphere.

**СПАСИБО ЗА
ВНИМАНИЕ.**
