Our first examination

Examination

PASSED

Plan:

1. My first examination
2. Examination subjects

My first examination

We will pass our first examination session from 13 to 31 of December. We have to pass 10 subjects and we will write tests. To get admittance to session we have to pass two credit tests.

Examination subjects

We have ten examination subjects. There are chemistry, biology, English, etc. Chemistry is the most difficult subject, because it has a lot of formulas. We should work hard to remember them. But I hope that everything will be good and we pass our first examination session successfully.

TEST

1. When we will pass our first examination?
a) 13-31 December b) 18-31 December c) 10-20 December
2. How many subjects we will pass?
