Historical facts about The HSE

- Was sponsored by The European Union

- Founders intentionally avoided the term "university" and instead choose "school" referring to the London School of Economics

- The first university introduced the **Bologna education system** in Russia

Yaroslav Kuzminov

A founder and Rector of The HSE since

Traditions and special events

The culture and entertainment all night festival. Annually held on winter holydays like a New year party. Performances, games, shows from dusk to dawn.

"The Night"

"The Cast iron Egg"

Award for outstanding extracurricular achievements

MODERN

Innovation and Business

HSE creates a multi-level infrastructure for its development:

- Platforms for interaction between aspiring entrepreneurs and venture capital investors

- Assistance in registering intellectual property rights and commercialization of university staff members' intellectual property

- Educational programmes in the field of innovation management

- Incentives and support for start-ups and other entrepreneurial initiatives by students, alumni, and instructors
