

PAPIER-MACHE

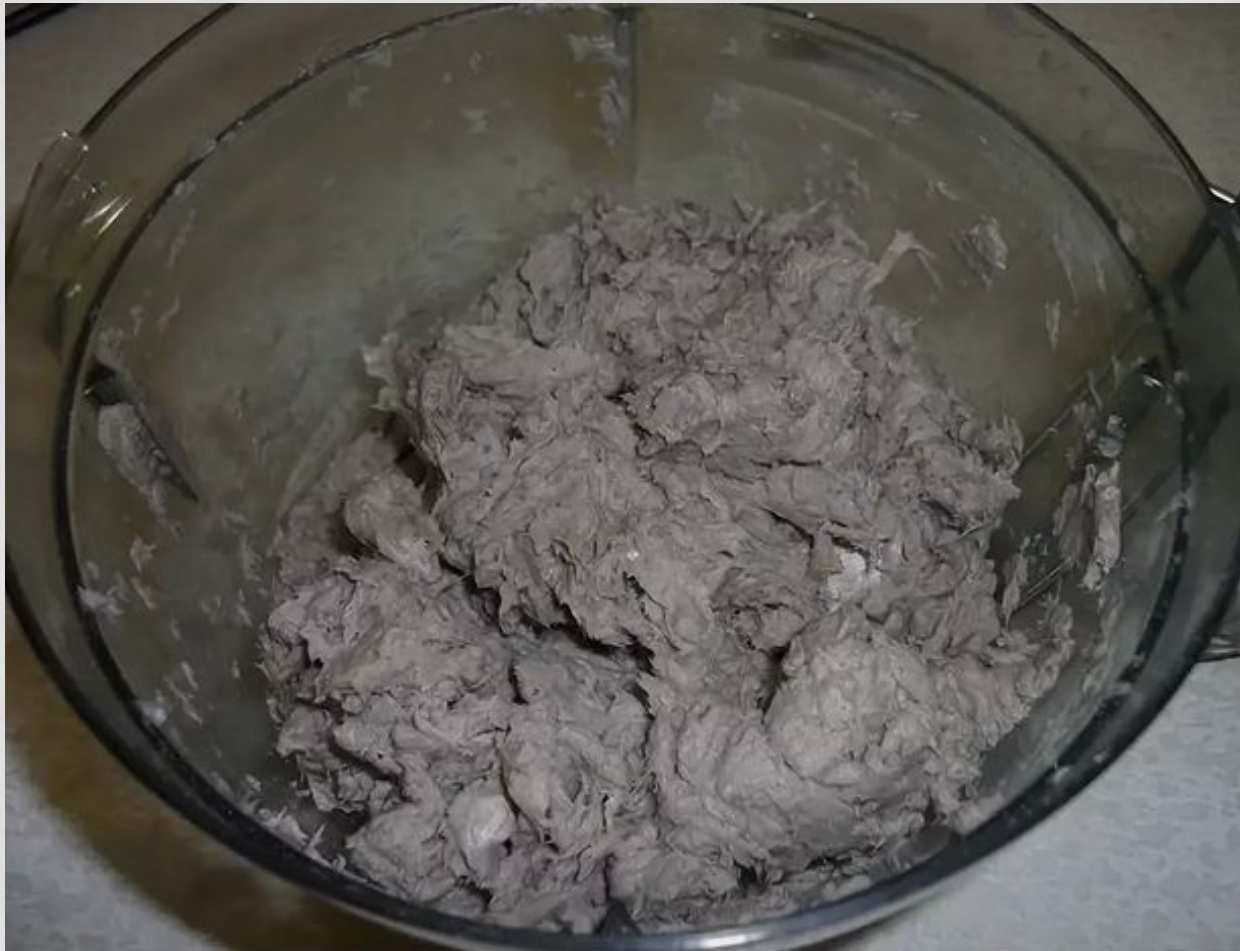

PAPER ART

Papier-mache is the art of creating three-dimensional products from pieces of paper and glue.

Papier-mache is a chewed paper from the French language.

But papier-mache was created in Ancient China.

There are two ways to prepare papier-mache. The first is to tear the paper into small pieces and impregnate with glue.

The second is to grind the paper with glue.

Works from papier-mache

Tableware

Statuettes

Masks

And other...
