- Think about what happens when you are talking to someone. What messages would the following send:
  - standing with your hands on your hips ?
  - putting your hands in your pockets ?
  - crossing your arms ?
  - clasping your hands behind your back ?
  - twiddling with your hair ?
  - looking at the floor ?
  - standing sideways while talking to them ?
- Why do you think people express with gestures?
- What gestures do you know that are different from your culture and English culture?
- Do gestures help you to understand others and express yourself, or are they sometimes confusing and distracting?
