# A VOLUNTEER MOVEMENT

# What is a volunteer movement?

- **Volunteering** is generally considered an altruistic activity where an individual or group provides services for no financial gain "to benefit another person, group or organization"

# What does a volunteer do?

- A volunteer movement available to all. Every person can join in this movement. The main thing is to have.

# Why did I take this topic?

By the way I always wanted to become a volunteer. Probably that's why I choose this topic. I think, that volunteer to be cool. You help people, participate in activities. You live. However I now did not become them, because I am afraid , I will do something wrong. This wrong pursues for a long time.
