

# TAKING A GAP YEAR IN UKRAINE

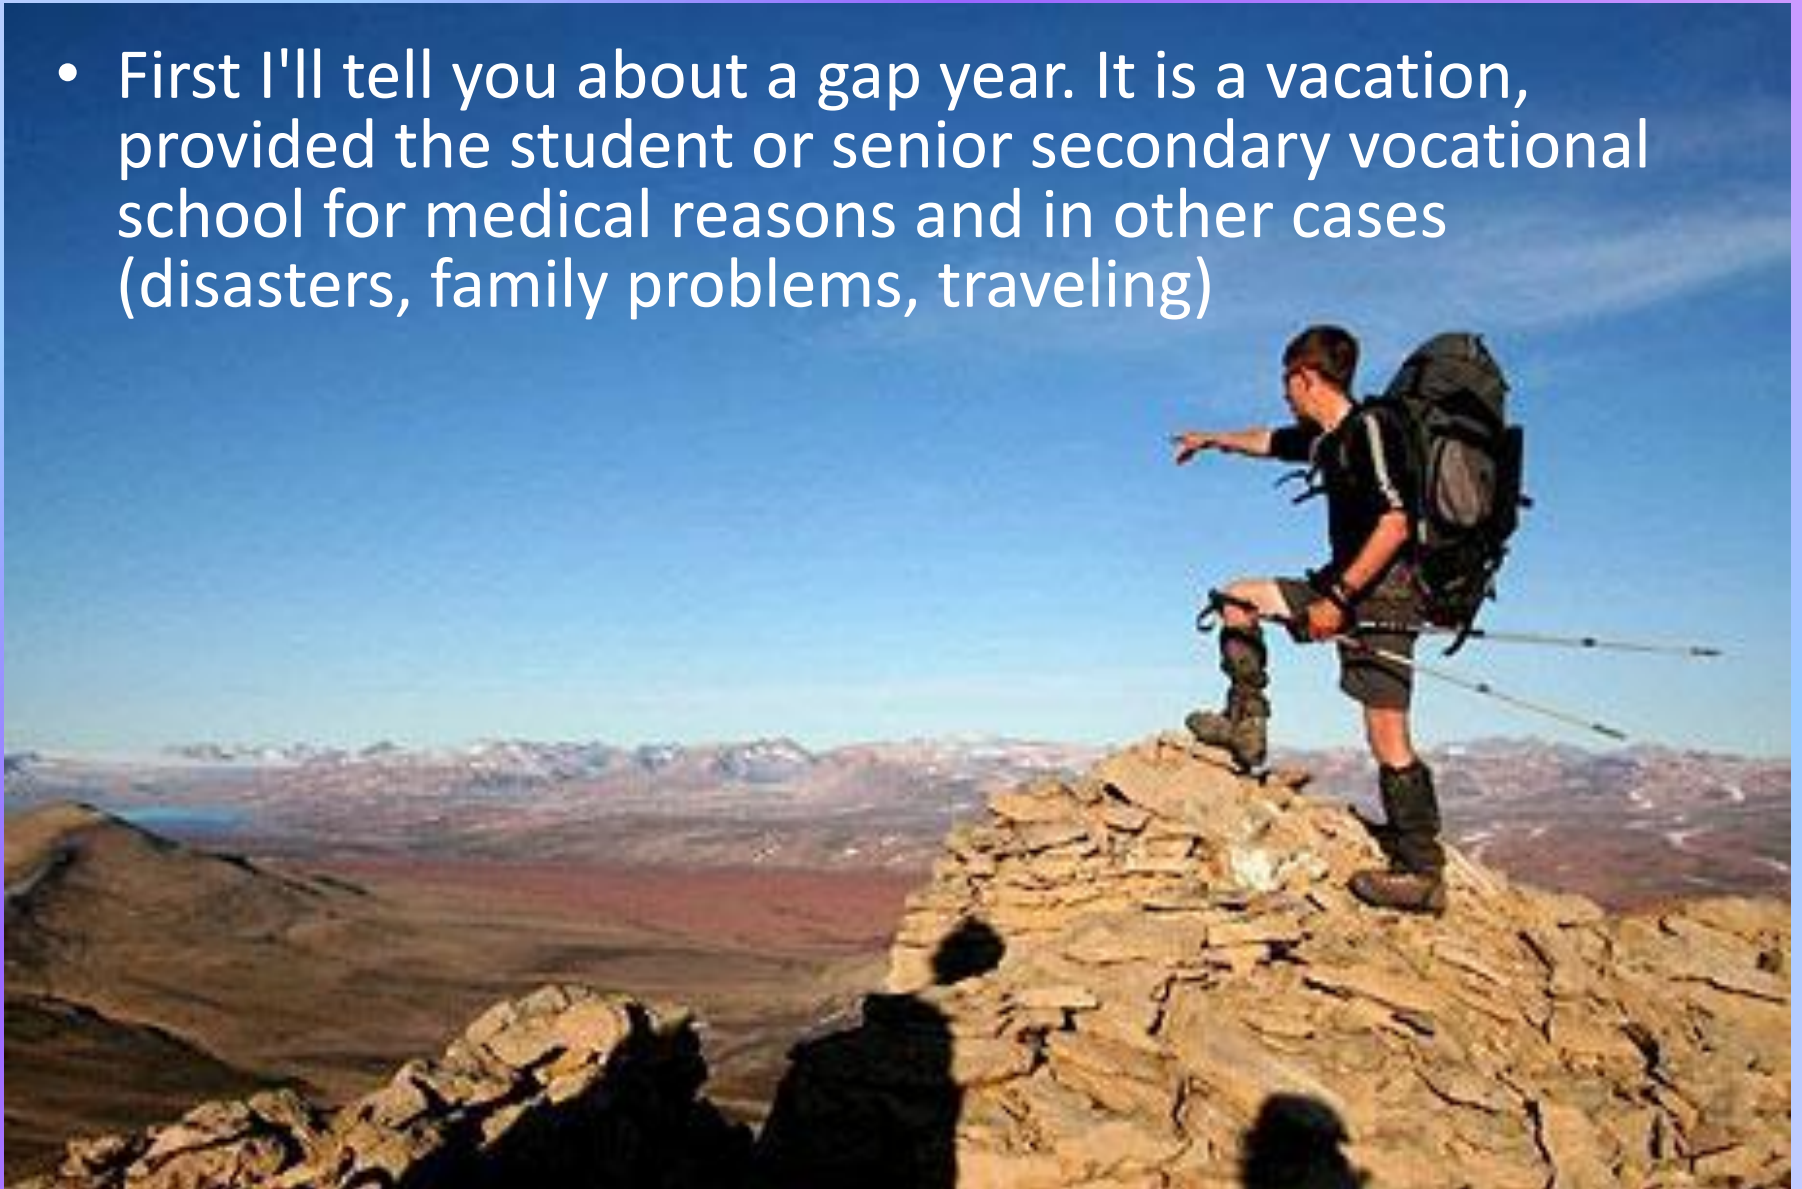

# What I want to do is to present a gap year in Ukraine

# My presentation will consist of 3 parts

- First I'll tell you about a gap year. It is a vacation, provided the student or senior secondary vocational school for medical reasons and in other cases (disasters, family problems, traveling)

Next I'll consider reasons why there is students who take a gap year. There are many reasons why there is a growing number of students who take a gap year. There are school-leavers who has an opportunity to prepare for training, .There are those who want to rest of education . There are those who feel they want to do something useful with their lives.

Finally, there are those who are solve their problems such as health or family problems.

**Next I'll deal with the advantages and disadvantages a gap year.**

**For supporting the idea of gap year, here I would like to mention some advantages. First of all, travelling around the world for a year can definitely broaden your horizons. You won't learn in the lessons. You may find that you are talented in cooking when you need to prepare meals everyday.**

However, there are also problems you should consider when deciding to have a gap year. One of the major problems is money. Your parents may not support you financially. You have to face the problems such as paying your own travel costs and hotel fee.

**Thirdly I'll tell about how to get sabbatical. In order to take a gap year in Ukraine you should contact the head of the institution and solve this problem with him.**

In conclusion, the experience gained on a gap year could have a profound effect on you and affect the rest of your life. Many gap year students change their degree course or future profession as a result of their experience.

**WELL, THAT'S ALL I HAVE TO SAY.**
