How should look like a perfect one?

Ideal friend always looks the way you want.

What should an ideal friend?

Ideal friend is to:

always support you;

to be honest;

be much uglier you;

always be near;

not be there when it is not necessary;

be able to understand you;

always protect you.

The most important thing: the ideal friend should love to cuddle!

About the ideal friends you can say
a lot, but the main thing is that it
doesn't EXIST(((
