

*My future profession*

I want to be a military man

---

To become what I want to be, I  
need to complete 11 grades

---

To become a military man you  
have to train a lot

Military work is very dangerous,  
but I like danger

---

I like to watch war movies, they  
motivate me

I want to become a military man  
to protect the common people
