It is convenient enough.

It is fashionable enough. Her Brand Name is MOJOYCE. It is silver colour with golden chain. The price is quite reasonable. It costs 6 dollars. The good completely corresponds to description. I paid by credit card.

Buying in the online shop has some disadvantages. For example If you buy things there you are not given a receipt. So if this good is faulty you will have problems with getting a refund.

On the other hand Buying in the online shop has some advantages.

1. You don't need line up and spend a lot of time for that.
2. There is a wide choice of goods.
3. You can make a bargain there.
4. There are goods at reasonable prices.
5. If you don't have cash you can pay by credit card.
