We proud of our teachers. They are very intelligent and always ready to help

Also institution boasts smart kids which allways seek knowledge. Pupils at the school have a lot of awards.

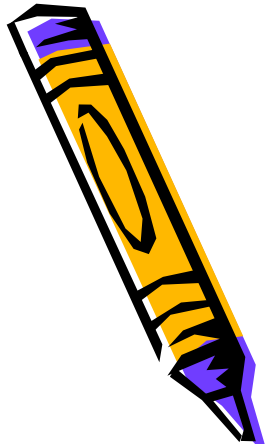

Watch our lessons and knowledge teachers come from other schools. We celebrate holidays such as the Day of embroidery, first of September and ohter.

All pupils at the school leading an active lifestyle. Employees of the school worries about us.

We also help our country's defenders. And
always happy to meet them in our school.

To do good at school one should make home assignments regularly, be active at the lessons and spend at least two-three hours every day studying. I like studying. My favourite proverb is "Live and learn".
