My native country is Russia.
It is the largest country in the world.

The capital of Russia is Moscow

The population in Russia is 146 million people. It should be remembered that not only Russians live in my country, but many other nations.

We have a lot of beautiful and clean cities.

Tourists from different countries come to admire our ancient places, museums, cathedrals and churches.

When people think of Russia, they think of their traditions. For example, combustion of a doll-bonfire on Maslenitsa, a fortune-telling on Christmas and preparation of an Easter cake.

Also Russia is popular for "Russian tracery".

We are very proud of our famous people. For example, Vysotsky, Pushkin, Gagarin.

Russian anthem

In conclusion, I want to say
that I am proud of my great country!

Thank you for your attention.
