

# CELL-PHONES

# What was life like before cell phones?

I think, it would be like.....

Probably it was like...

I can't imagine but it could be like...

# **What cell phone functions are important for you?**

I think, the most important for me is.....

I am not sure about this but in my opinion ...

I guess all of the features are important for me but ...

**Are there any features  
on your cell phone you  
don't need? Why?**

Yeah, there are couple things which aren't important for me, there are....  
There are some features seem not important, like .....  
So many, it's like .....

**Can people use their  
cell phones while they  
are driving in your  
country?**

Of course not, if you .....  
That's a silly question, obviously...  
Yeah, they can but.....  
I think it's fine but.....

# What does the 'cellular' mean in cellular phone?

I think, it means .....

Sorry sir, I have no idea.

It probably means .....

May be it's all about..... That realated with.....

**Do you think cell  
phones are  
liberating<sub>(freedom)</sub> ?**

I dont exactly understand about that question, but I think .....

Humz... No idea, may be it's about .....

I think so... Because....

I dont think so..... Because.....

**Would it be a big  
problem for you if  
your cell phone was  
lost or stolen?**

That's a big problem, because.....

Not really, because...

For me that's...

# How often do you turn your cell phone off?

Never.. Because...

Everytime if I want to .....

Seldom.. Because...

# **Which cell phone maker is best? Why?**

I think the best is .... Because....

For me the best one is.... Because...

I guessm they all the same... It depends on... Because...

**Do you think cell  
phones really interfere  
with equipment in  
hospitals and on  
airplanes?**

Never thought about that.. But...

Of course... Because...

I don't know exactly about that... But I think....

# **What are the best things about cell phones?**

The best thing is ....

Probably the best one is...

Actually, there are so many things which are important, they are....

# **Do you get annoyed with other cell phone users?**

Yap.. So many times i get that, especially.....  
Sometimes, but I just .....  
It depends on the situation,, if .....

**What do you do when  
you annoy other  
people with your cell  
phone?**

I will .....

For me, that's not really big deal.. Because..

I think, it depends on the .....

**Do you think people  
should be fined for  
using their cell phone  
in a no cell phone  
area?**

If the person is .....

Then again, it depends on the .....

Of course not, because....

# **Are you worried about brain damage from using cell phones?**

I've never been...

Yeah sometimes, because...

Yes I am,, because.. That I know...

**How do you feel if you  
leave the house  
without your cell  
phone?**

That could be...

I would feel...

I think it doesn't matter... Because...

**Do you think the call  
and rental charges for  
cell phones are  
reasonable?**

I think that is reasonable Because.....

Not really, if they...

I have no idea about that question, but .....

# **Have you ever slept with your cell phone? Why?**

Of course, because...

I've never slept with my cell phone.. Because....

Yes I have.. But not everyday,.. It depends on.....

**Do you have any  
complaints about cell  
phone batteries?**

Yes, I have.. I would like to say...

If I met the batteries makers, I would say..

Not really, I think that's fine.. Because...

**Did you hear that  
using a cell phone  
near a gasoline stand  
can cause an  
explosion?**

I heard about that a lot.. But...

I knew that ,, but..

I think so because...
