

«Пчёлка
собирает
мёд»

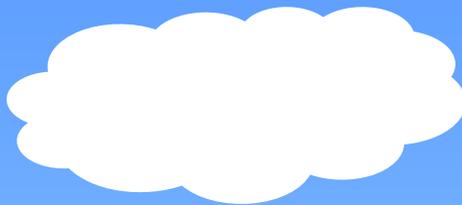

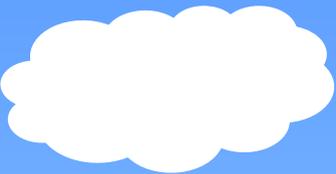

начать

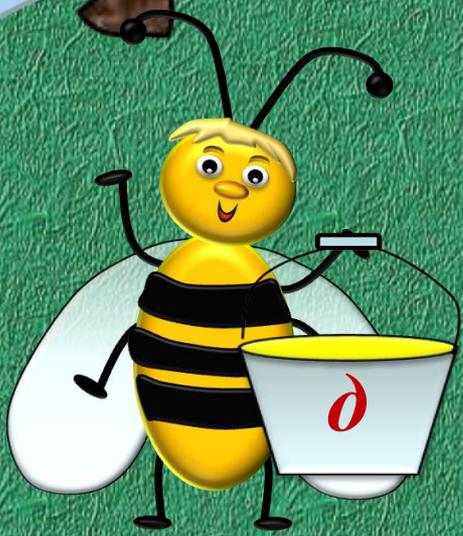

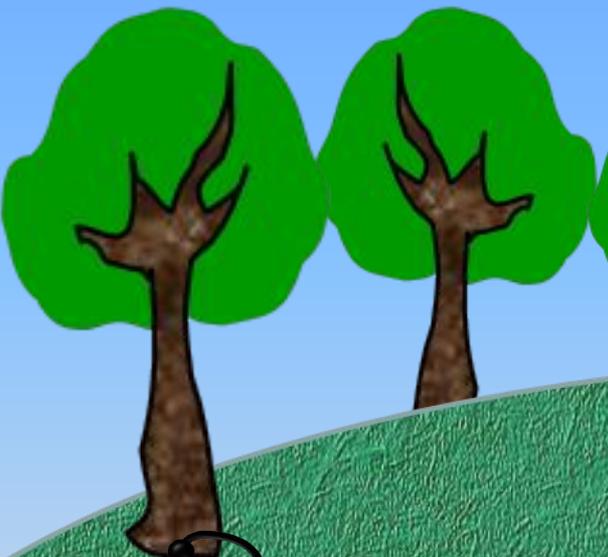

Пчёлка с утра до вечера собирает мёд и очень устала. В каждом улье свой мёд и она не должна перепутать. Ей нужна твоя помощь – выбирай правильно слово, где пропущена буква, написанная на ведёрке, и тогда пчелка соберет все верно. Удачи!!!

Источник

Спасибо! Теперь
у меня много
сладкого мёда!
