

**The path to publication -
Leadership, community, growth...**

Michele Vazquez
Leadership Fulbright Scholar

Who is a leader?

Leadership

Leadership is about:

People and relationships

Leadership is about:

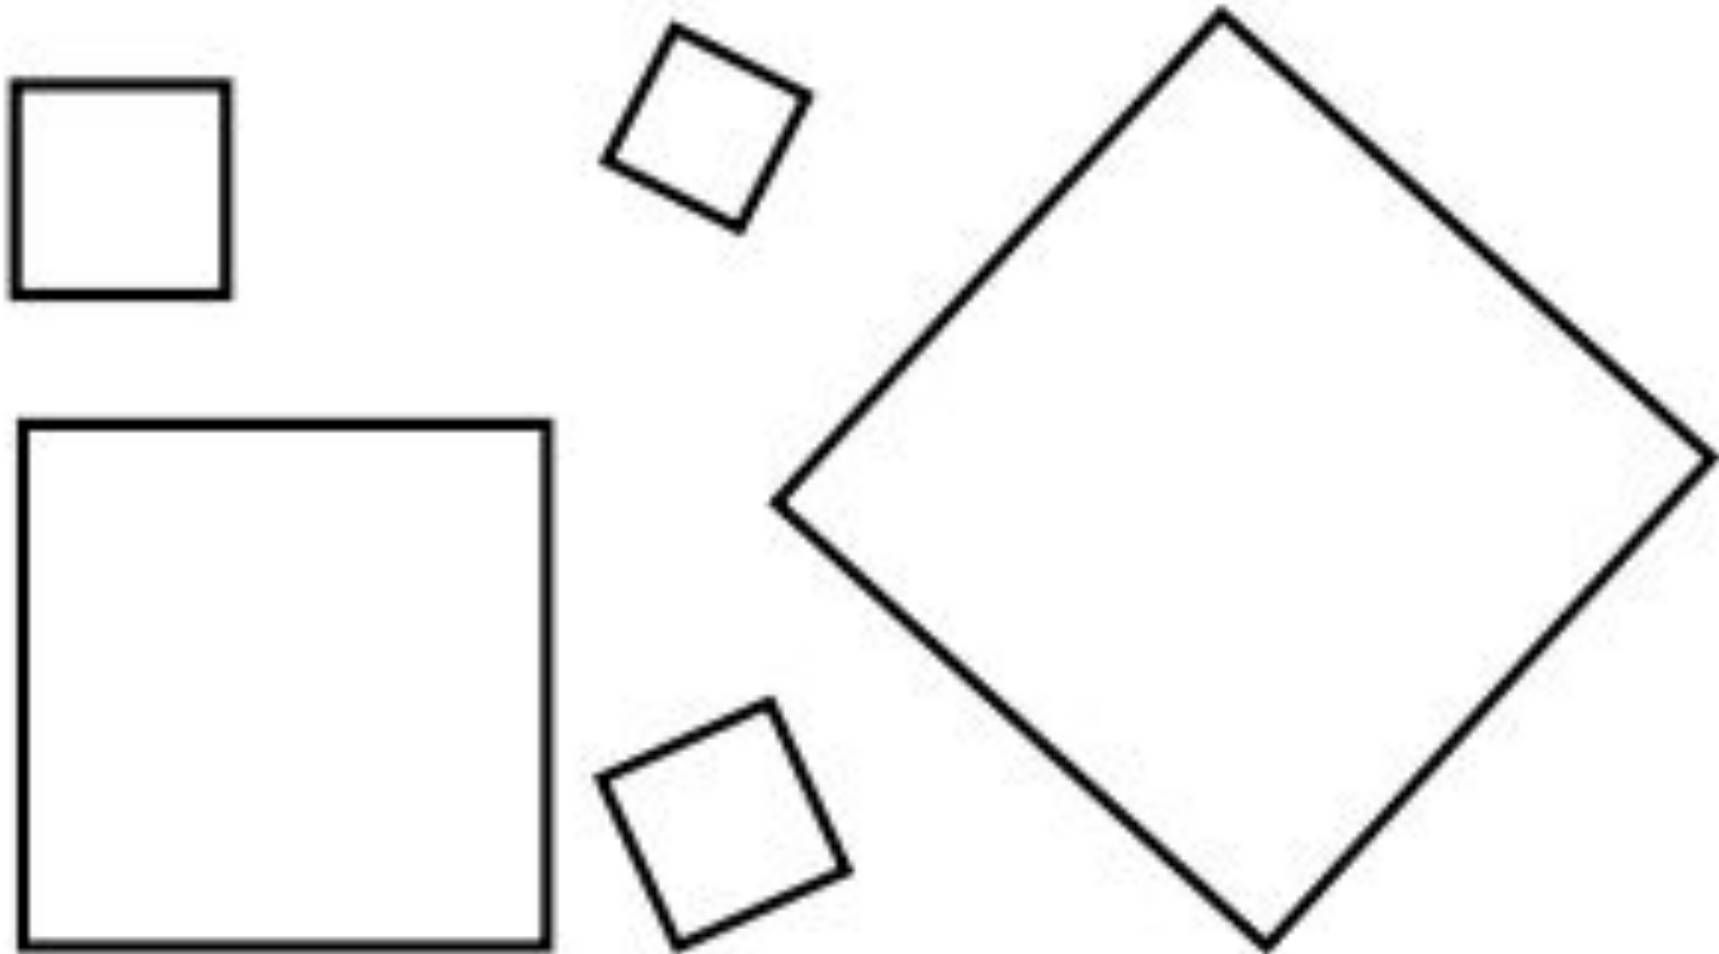

Personal Influence

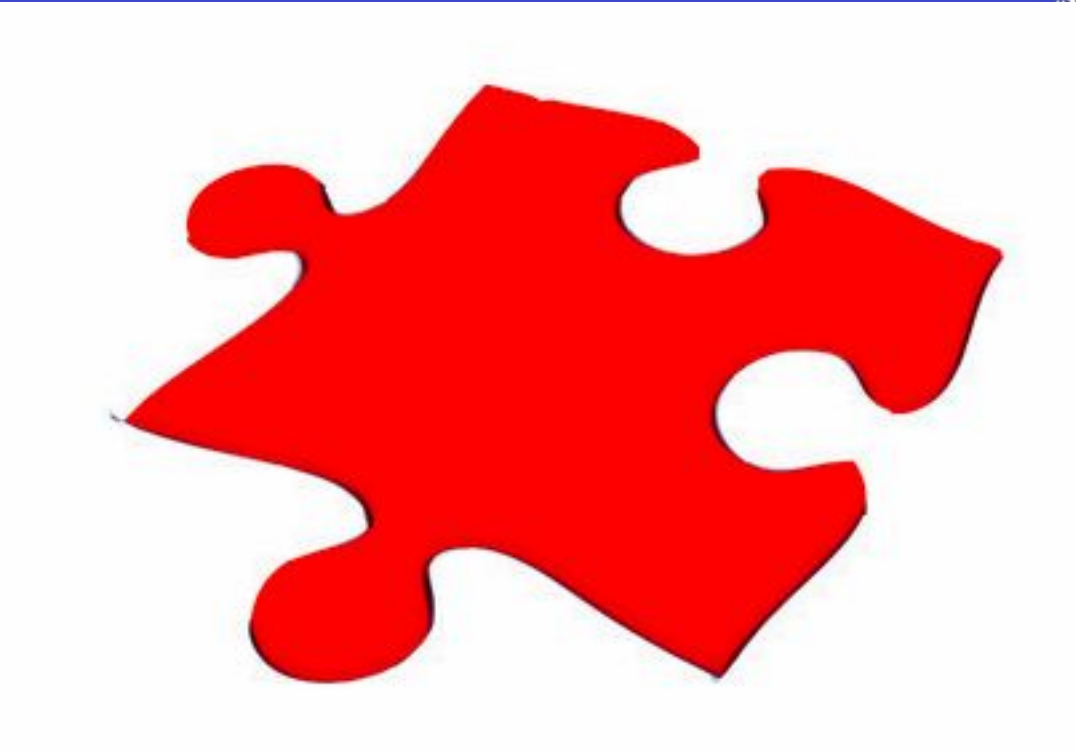

The influence of effective leaders comes from:

Their character

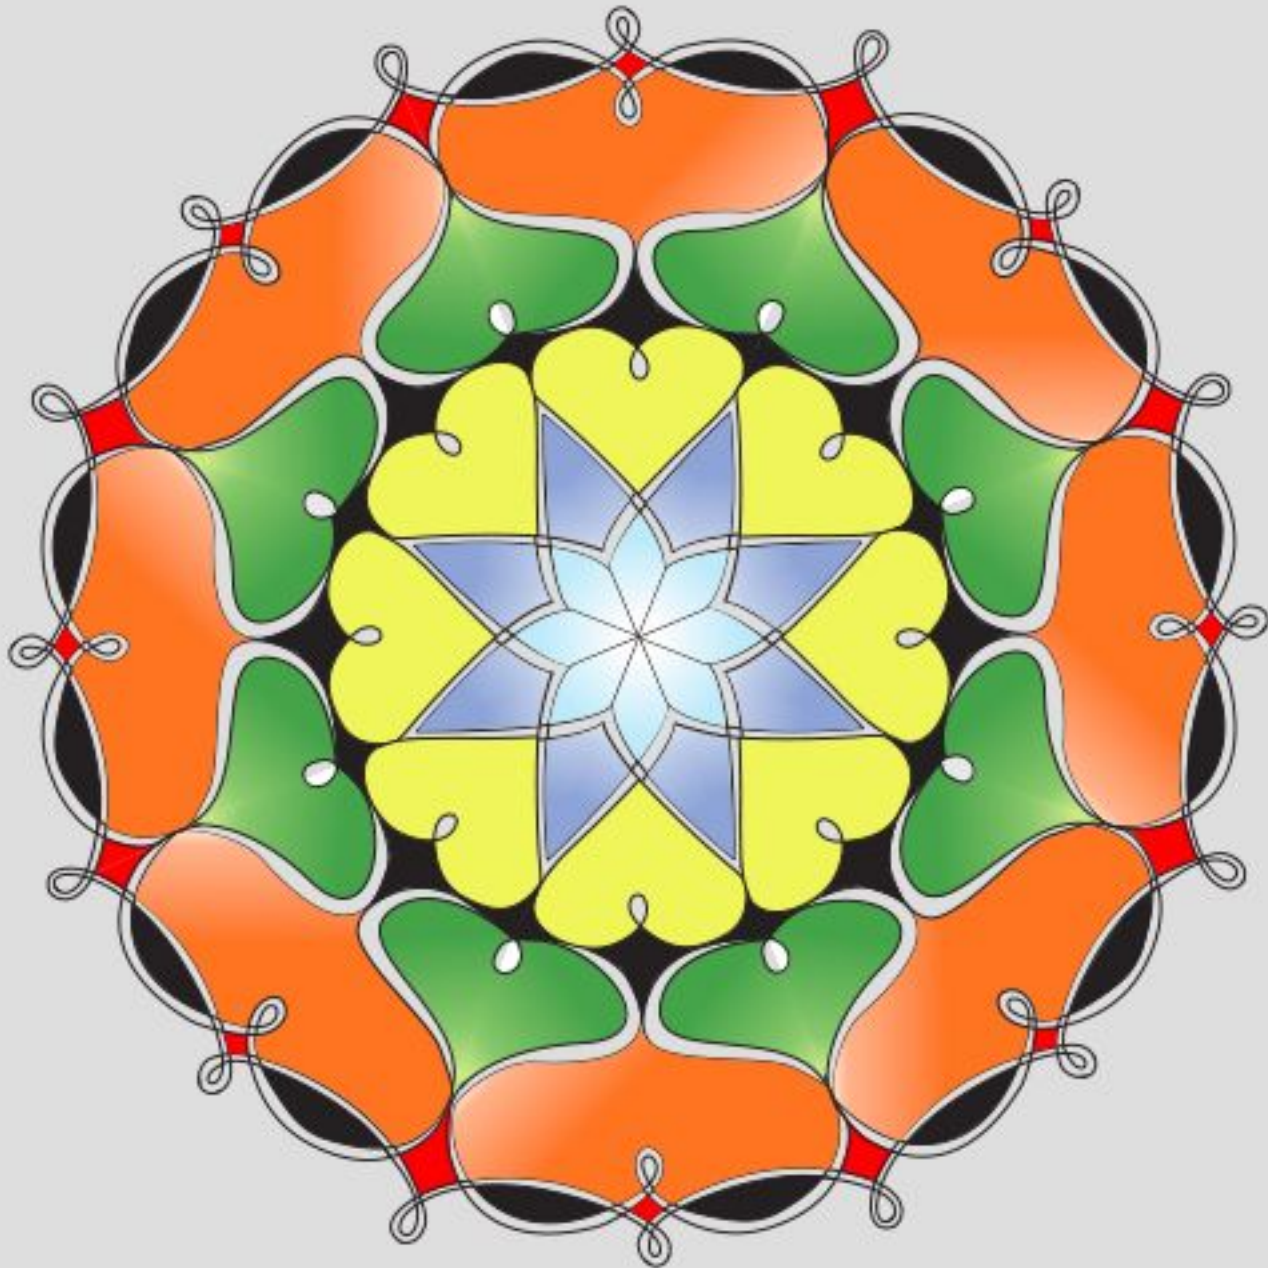

Why are you here?

Leadership

Leaders who value people desire to serve them...

Serving people means helping them:

- Find their purpose
- Take part in open communication
- Build healthy teams and communities
- Empower and encourage others
- Learn to trust others, and be worthy of other's trust
- Support the development of a clear vision for a better future
- Take risks that support positive change
- To accept commitment
- To have courage

Why are you here?

DISORIENTED

BEWILDERED

CONFUSED

UNSURE

UNCLEAR

PERPLEXED

LOST

Why are you here?

- Support: Community and relationship building
- Development of your career
- Development of respect, reputation
- Feeling of pride and deep integrity in your work
- ***And to get published!***

What do I fear?

**What
do I need
to move forward?**

Gap Analysis

Task/Skill	Current Status	Status Required To be Published	Steps	Timeline

**What can I do
to support others?**

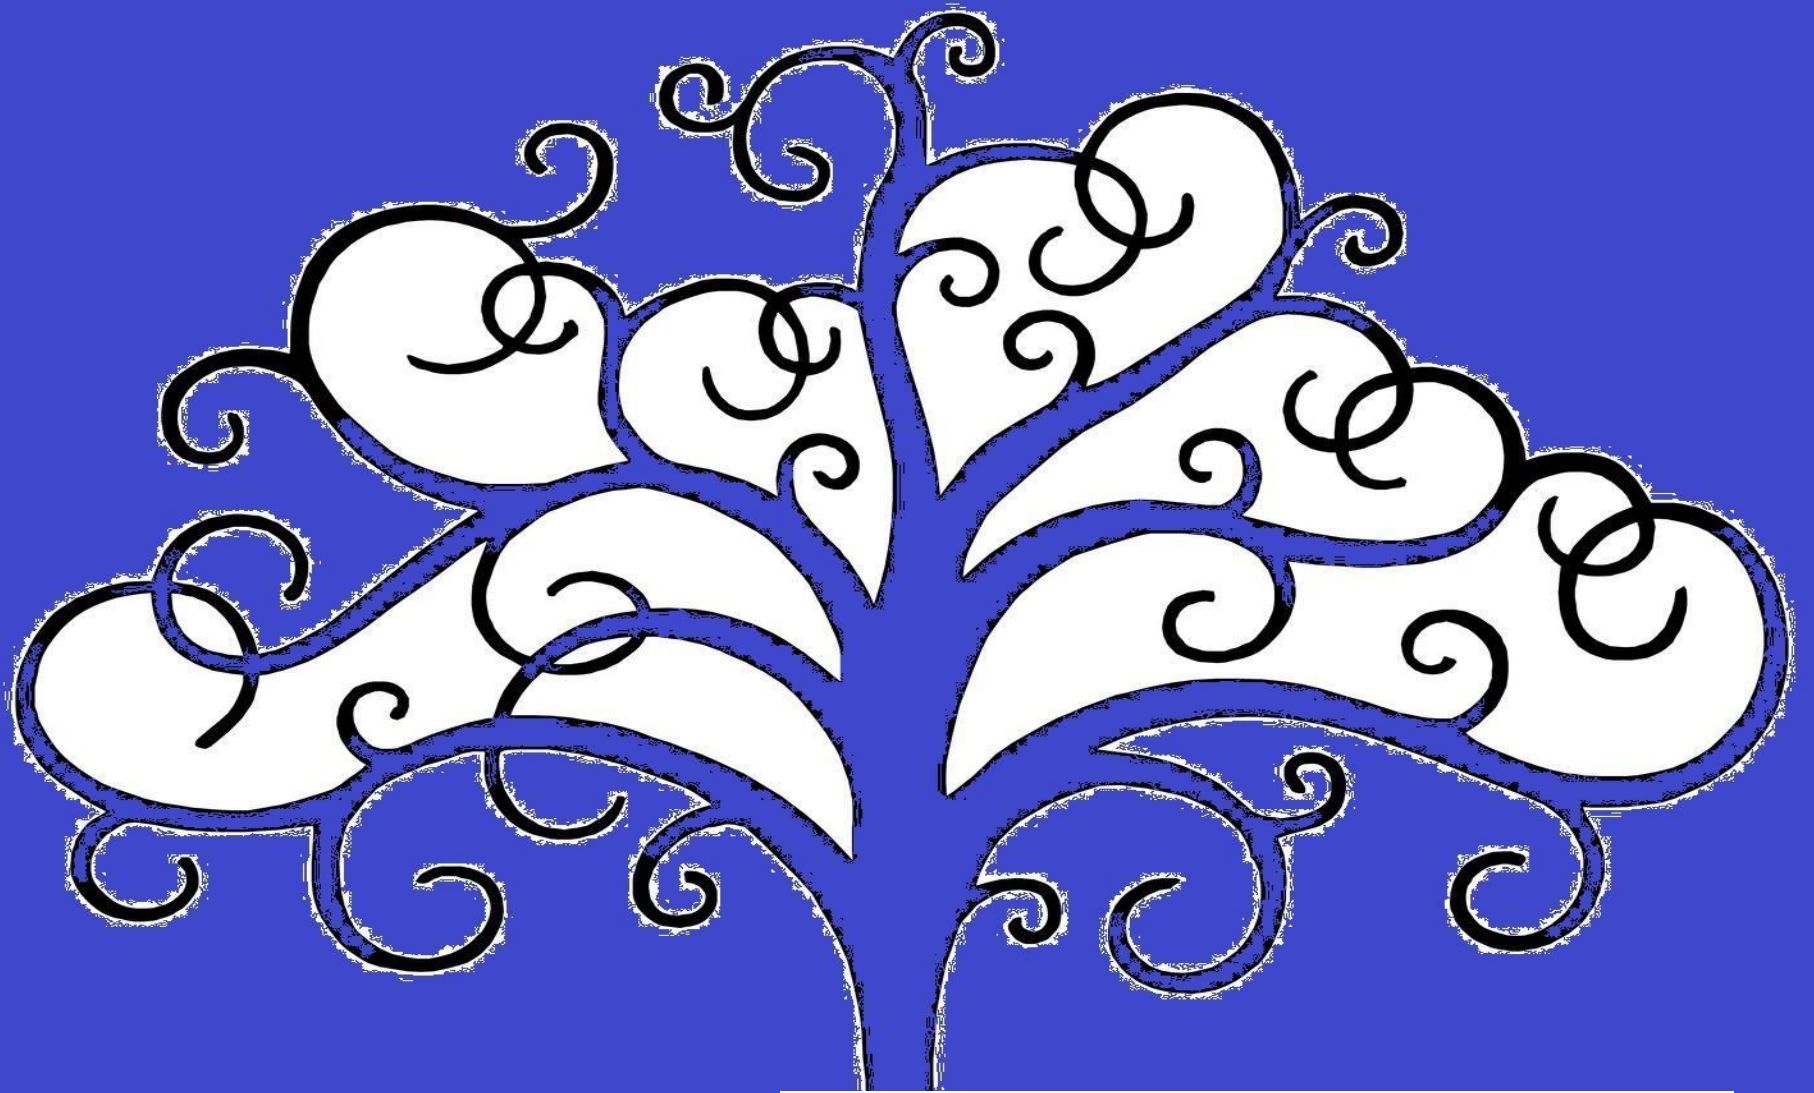

Step 1 – your story

What is the story I have to tell?

Hint: In the west, your story needs to be original, innovative, based in sound research methodology, with quality references

Who cares? (Who is my target audience)
