

Speech-to-speech

Demo

Every human is bound to one voice

Each voice can only work 24 hrs/day

We commodify voice

Starting 3 paid projects

Expected revenue: \$61.5k

Summer 2019 - US accelerator

Audio aid service for one feature film:

Flat fee \$200k

Top-6 studios make 100 films per year

$\$200k \times 100 = 20M \text{ ARR}$

What's next?

Call centers (accent)

Games (skins)

Voice marketplace
