

Презентация  
на тему:  
«Плюсы и минусы  
супермаркета»

This is a supermarket ↓

# Advantages of supermarkets

- \* The presence of the carts, which can be downloaded products.
- \* It is possible to freely rotate the product in their hands, check the expiration date of the reading, make sure the integrity of the packaging.
- \* Many insurance companies. Very rarely have to queue for more than 2 minutes.
- \* In the supermarket you can find any product (even exotic). Abundant number of departments and a wide selection of products.

# Advantages of supermarkets

- \* A wide range of products from different manufacturers.
- \* Many supermarkets have a culinary workshop. So you can buy fresh pastries, ready meals, meat, burgers, side dishes, salads.
- \* Clean and tidy. The supermarket is constantly monitoring the cleanliness and order. And clean the dirt online.
- \* Lack of waste society. The guards do not let the supermarkets and get drunk homeless alcoholics.
- \* Discount cards. In many supermarkets issue cards that allow you to buy products across the network data stores at a discount.

# Disadvantages

- \* Perhaps to the supermarket you have to travel longer than to the nearby shop, which is possible in the yard of your house.
- \* If you are a minor - alcohol in supermarkets will not sell. And in the stall and did not look at your age.
- \* In supermarkets (domestic regulation) - non-waste production. Distributed plywood price tags on products that have expired.
- \* As well as bringing outstanding products in marketable condition by treatment with special chemicals.

# Disadvantages

- \* Ready meals from expired products. If the product is sold expired and lost its presentation - it allowed for processing.
- \* Spoiled meat - patties made from it, killing the taste of moldy stuff abundant spices.
- \* Even spoiled washed salads and add these residues in the new salads.
- \* We have to take things to the storage chamber. If you have previously purchased at another store - then you will have to pass the bag in the luggage, to avoid problems with security at the supermarket.

# The end!
