Лебедева Виктория

Summer is my favorite season.

I very love
summer
holidays.

I went
camping
with my
parents.

There we played ball.

We swam a lot in the river and fished.

In the evening we made a fire and cooked soup.

When it rained, we hid in
the tent.

Read books,
played
checkers.

We had a great time in nature.

Summer is a time of fun
and relaxation!
