

My travel in Saint Petersburg

Saint Petersburg

Saint Petersburg is considered one of the most beautiful cities in the world. Hundreds of tourists come here from all over the world to see the famous monuments of sculpture and architecture, walk the streets of Northern capital of Russia, and to touch her history.

Hermitage Museum

In Saint Petersburg I see a lot of interesting. For example: St. Isaac's and Kazan Cathedrals, Alexander Nevsky Monastery, Peter and Paul Fortress and many others. Most of all I liked Hermitage Museum. The Hermitage is a complex museum. Its main exhibition is located in five buildings situated in the center of St. Petersburg along the Neva river. The main building of the complex is the Winter Palace.
