Image

A photograph showing the front ends of two classic Volkswagen Beetles parked side-by-side underneath a closed, silver, horizontally-ribbed roller shutter door. The car on the left is red and has a white license plate that reads 'WOB-A 555'. The car on the right is blue and has a white license plate that reads 'WOB-A 809'. The scene is set on a paved surface, and the background is a plain, light-colored wall.
