Уж верба вся пушистая  
Раскинулась кругом,  
Опять весна душистая  
Повеяла крылом.  
Станицей тучки носятся,  
Теплом озарены,  
И в душу снова просятся  
Пленительные сны.  
Везде разнообразною  
Картиной занят взгляд,  
Шумит толпою праздною  
Народ, чему-то рад.  
Какой-то тайной жаждою  
Мечта распалена-  
И над душою каждою  
Проносится весна. А. Фет
