

# POPULAR UKRAINIAN SINGER

# OLEG SKRYPKA

Oleg Skrypka is singer from the group "VV". First his group worked in France. They have got a lot of songs in French. More than that, they have some songs in English because usually their performances are visited 10-20 % of foreign people. Many songs are better in Ukrainian than in other languages. Oleg Skrypka was interested in Indian culture. When he was a child, Indian films were very popular.

# OLEG SKRYPKA

At that time he loved Indian music. He thinks that the best musicians in the world are Indians, because they play not by hands but they play of the heart . In one of his interviews Skrypka said that he is very self-critical. His attitude to the results of his work and the work of other people is very critical. That's why the group works on each album and clip for a very long time.
