SPORT IN OUR LIFE

*Sport plays a big
role in our life.
Many people do
sport in our
country. They
want to stay
healthy. Sport is
a good mean of
struggling with
stress.*

*In my opinion sport is
important for healthy free
time. Sport also makes
people strong and
prepares a lot of joy.*

Some people participate in sports, others prefer watching them on TV. It is known that walking for an hour is healthier than irregular participation in any active physical activities.

To keep fit some people join special classes or take part in aerobics or yoga, do some kind of training in a gym. Others play football, badminton, volleyball, tennis.

It is quite obvious that sports in Ukraine are well developed and some Ukrainian athletes rank with the world stars. Professional and amateur sports are very popular in Ukraine. Physical training is a compulsory subject at all school levels and thousands of Ukrainian boys and girls train in sport clubs.

There is no wonder that Ukrainian sportsmen show good and excellent results at national, international and world championships. We can say that Ukraine's participation in the world Olympic movement started in 1894. In 1994 independent Ukraine sent its national team to vie in the Games for the first time. At the 17th Winter Games in Lillehammer young figure skater Oksana Baiun went down into Olympic history, she won the first gold medal for Ukraine.

The name of Kyiv football team «Dynamo» is very famous, in many cases it works like a visiting card for Ukrainians who travel abroad, it helps to find friends among football fans and supporters. In 1975 and 1986 «Dynamo» led by noted coach V. Lobanovsky, took the European Holder's Cup.

Great success was achieved by women's basketball team winning the 1995 European Championship. The Kyiv Budivelnyk basketball, Sokil hockey and Zaporizhia's Orbita volleyball teams enjoy constant popularity with their fans.

The Ukrainian school of calisthenics is recognized all over the world. I. Deriuhina, A. Tymoshenko, O. Skaldina, K. Serebrianskaia, O. Vit-rychenko and others won world and European championships. The famous Ukrainian gymnast Larisa Latynina has the longest history of Olympic records: 9 gold, 5 silver and 3 bronze medals.

The name of Yana Klochkova today is known not only in Ukraine. Recently she won the title of the World and European Champion in complex swimming. Sergey Bubka, world-famous pole vaulter, was the first in Ukraine to receive the title «Merited Master of Sport of Ukraine» followed by that of «Master of Sport, International Class». He is the holder of 35 world records the last being registered in 1994 when he chalked up 6.15 m in Italy.
