

# *Environment*

**Our Earth is in danger now**

# We need in

- Clean water to drink
- Fresh air to breathe
- Healthy food to eat
- Plants and animals

# The largest problems

**Air pollution**

**Water pollution**

**Land pollution**

# There are all sorts of problems

**Global warming**

**Deforestation**

**Lack of fresh  
water**

Did you know  
YOU  
can help protect  
the planet?

A lot of modern food products have lots  
of packaging and  
it`s a waste

Don't turn the planet into  
a pile of rubbish!

If you drink from plastic bottles, you won't help the planet.

It look harmless, but plastic is a material that is difficult to recycle.

Why not drink juice from a glass bottle?  
Glass is easy to recycle

Some companies make old posters and magazines into recycled paper

Buy  
**recycled**  
paper.

We're also  
running out of fresh

**WATER**

Water is  
one of our  
most  
important  
natural  
resources,  
and you  
can help  
save it

Don't have a bath, have a shower!

If you have a shower

Reduce the amount of time  
you spend on the **shower**

When you  
have a bath,  
you use  
90 liters of  
water,  
but only  
30 liters when  
have a  
shower!

Don't leave the tap on  
when you brush your teeth!

Verify that your home  
is **leak-free.**

**Turn off **lights** and  
**appliances** when  
you leave a room.**

**Turn off **lights** and  
**appliances** when  
you leave a room.**

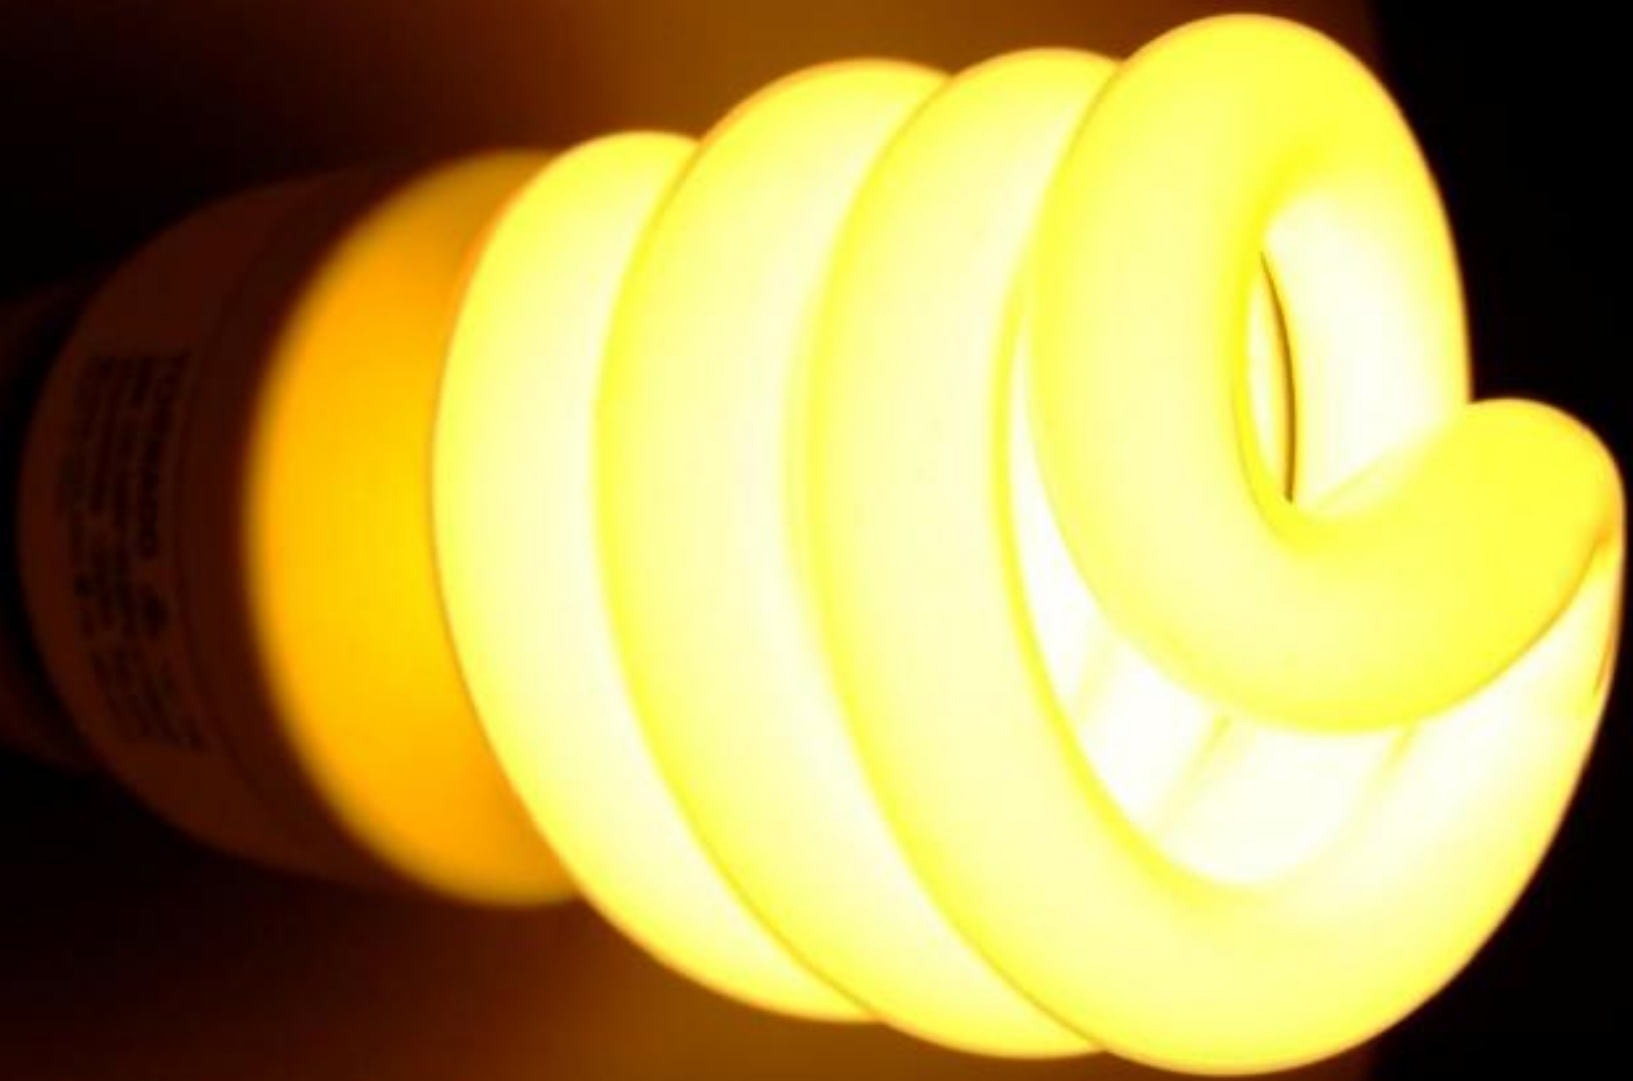

**electronics in stand-by.**

A close-up photograph of a person's mouth, showing their teeth and prominent, sharp fangs. The fangs are a pale yellowish color and are pointed upwards. The background is dark, and the text is overlaid on the lower part of the mouth.

**They're energy  
vampires**

**Prefer fluorescent lights.**

Use **public transportation**

Use **public transportation**

**Or better**

THAMESVALLEY

A red double-decker bus with a white stripe, parked on a grassy field. The bus has "THAMESVALLEY" written on its side. The text "Use public transportation" and "Or better" is overlaid on the image.

**WALK!**

**Plant a tree**

The earth does not belong to **man**,  
man belongs to the **earth**.

# THE END

Or is it just a new beginning?

Will our planet survive?  
If we all help,  
it will have a better chance.

Why don't you start saving the  
planet at home this evening?
