Miles Teller

Biography

- Teller was born in Downingtown. His parents, Merry Flowers, a real estate agent, and Mike Teller, a nuclear power plant engineer, were from New Jersey. His grandfather on the paternal line was a Jew, a native of Russia.

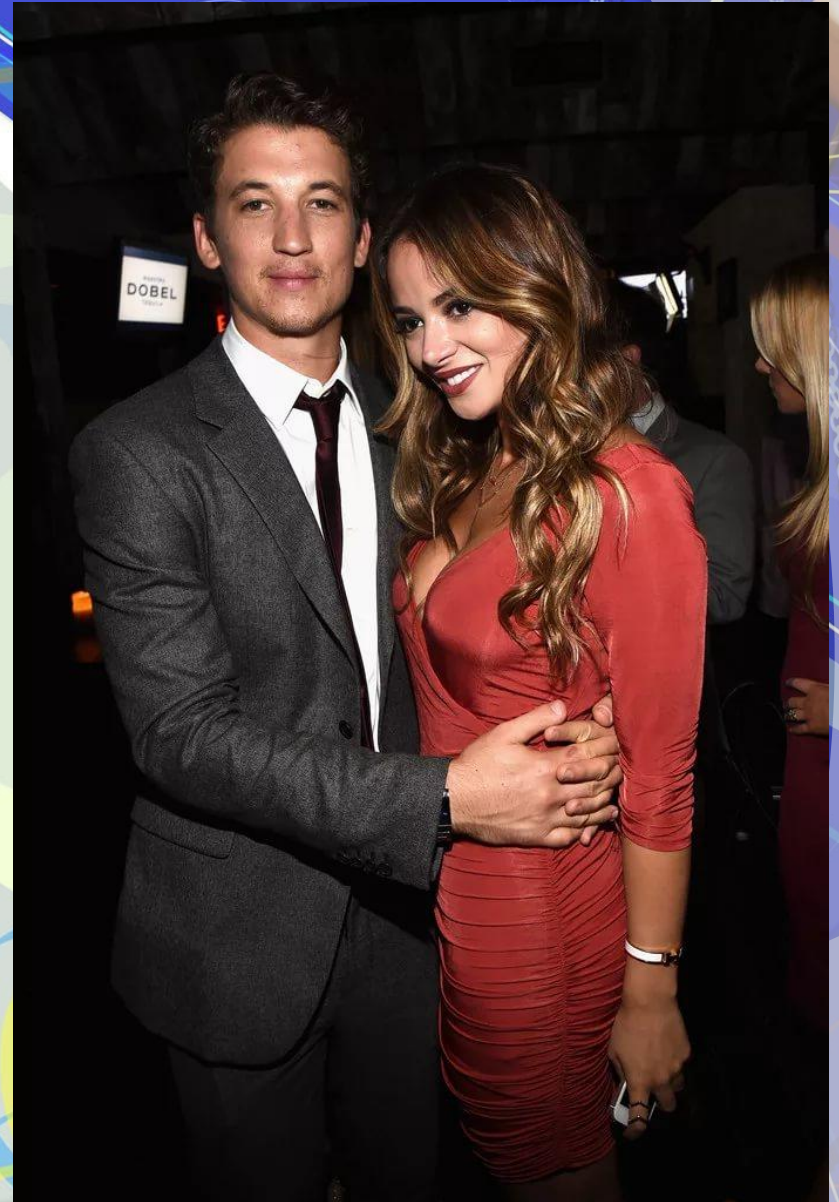

Career

- Teller appeared in several short films before he began to appear in feature films.
- In 2010 he made his debut in the film “The Rabbit Hole”. The most famous films with his participation were “Project X” and “21 and more”. In 2013, Teller starred in the films “Breathtaking time” and “Divergent”.
- In 2014 he starred in the film “This awkward moment”, as well as in the film “Obsession”.

Personal life

- Since 2013, he meets with model Keli Sperry. In august 2017, the couple became engaged.
