

Theory-related Problem and Solutions

"I will never say that I didn't receive any benefit from the program. Probably, only if I know for sure that no one will get hurt because of it"

Theory-related Problem and Solutions

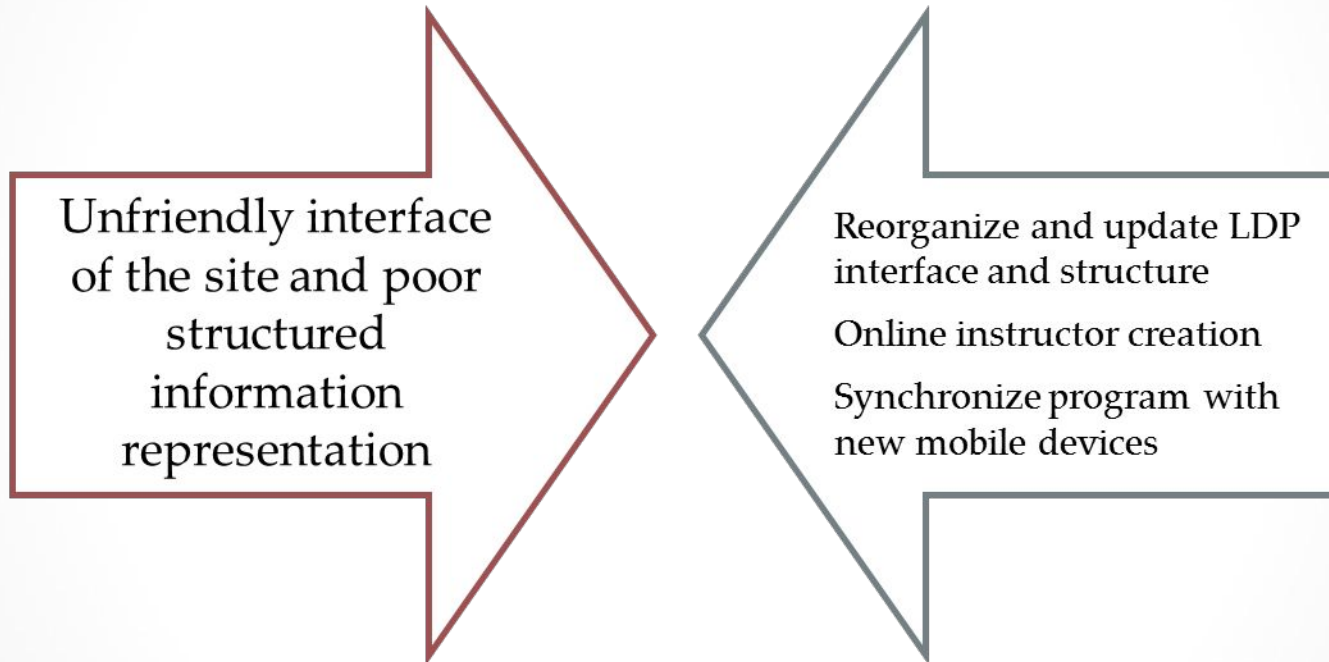

"I don't know, why I was nominated. I have no idea"

"It was not a nomination, just a letter to participate"

"I'm not sure, I think that my management position requires such skills"

Mismanagement Problem and Solutions

"It was difficult to be guided through modules, didn't know which course to move to"

"It was hard to read everything"

"The main problem is the LDP site: the design, interface and speed of work. It was the worst. Interface is illogic and freeze. Navigation is poor"
