

This is CS50

2/3

of CS50 students have never taken CS before

what ultimately matters in this course is not so much where you end up relative to your classmates but where you end up relative to yourself when you began

A purple Scratch 'say' block with a notch on the left and a bump on the right. It contains the text 'say' and 'hello, world'.

say

hello, world

hello, world

algorithms

output

hello, world

output

hello, world

ask

What's your name?

and wait

What's your name?

algorithms

output

What's your name?

→ output

What's your name?

answer

A Scratch 'say' block with a purple background. It contains a green 'join' block with a white 'hello,' block and a blue 'answer' block nested inside it.

say

join

hello,

answer

hello,

answer

algorithms

output

hello,

answer

→ output

hello,

answer

hello, David

hello, David

hello, David

hello, David

say

hello, David

hello, David
