Donkey's favourite season

It's winter. It's cold and snowy. The Donkey is sad. "I don't like winter because I haven't got any green grass. I can't walk in the park. In spring I will walk and play with children," says the Donkey.

Spring comes. It's warm and sunny. Now the Donkey is in the park. He has got a lot of green grass to eat. But he is sad again.

“I don't like spring! The children are very noisy in the park. In summer I will dive and swim,” says the Donkey.

Summer comes. It's hot. The children dive and swim. They ride bikes and scooters, play badminton and football. But the Donkey is sad again.

“I don't like summer because it's very hot. In autumn I will eat apples and carrots,” says the Donkey.

Autumn comes. It's cloudy and rainy. Now the Donkey has got a lot of apples and carrots to eat. But he is sad again.

“I don't like autumn because it's cloudy, windy and rainy. In winter I will play snowballs and toboggan.”

Winter comes. But the Donkey is sad again...
