

**“How can robotics  
change students’  
skills in Math and  
Physics?”**

**By Azamat  
Berkimbayev**

Robotics is one of the useful club for students to increase their level of knowledge.

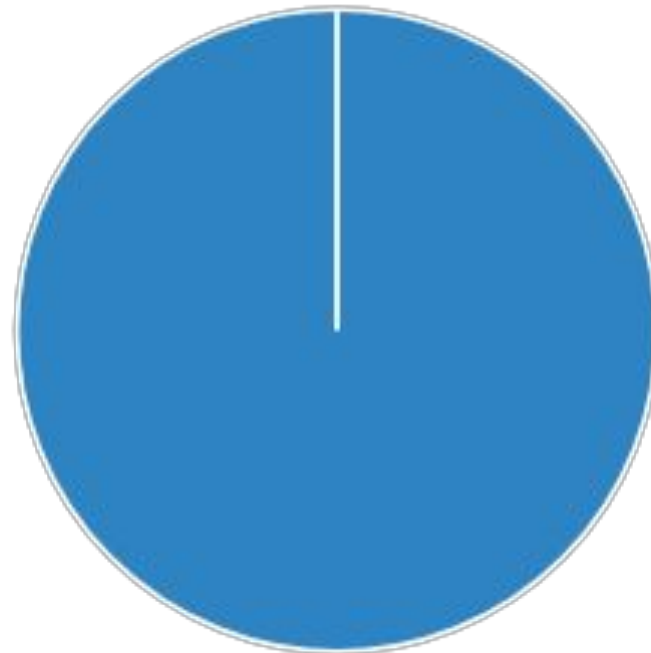

Interview

The image features the word "Interview" in a playful, multi-colored font. Each letter is held up by a hand of a different skin tone, representing diversity. The colors of the letters are: 'I' (red), 'n' (green), 't' (blue), 'e' (purple), 'r' (yellow), 'v' (purple), 'i' (green), 'e' (red), and 'w' (blue). The hands are positioned below the letters, with some showing the palm and others the back of the hand. The background is plain white.

# Results

Robotics club can  
change students'  
skills in Math and  
Physics in better way.

Did your skills in Math and Physics increase?

■ Yes ■ No

# Evaluation

**Weakness:** Amount of questions of interview and quantity of interviewed people.

**Strength:** Is my sense of purpose to make this project better.
