

ABOUT UNITED STATES

USA

- **Places of Interest in the USA**

- The United States of America is one of the largest countries of the world. It consists of 50 independent states which have a lot to offer to its visitors. Every year millions of people from all over the world come to visit the USA. The reasons can vary, of course. Some come to study English, some to find an interesting job, but the majority of visitors are attracted to its sights. There are lots of places and things to see in the USA, so a week or two wouldn't be enough to see all places of interest. Besides the USA is quite a remote country for many other world countries and continents. For example, to reach it from Russia takes a whole day on a plane. So, most people, who wish to see the places of interest in the USA, try to spend at least a month there travelling from state to state. And it's a wise decision, because it's worth it. One of the main places people want to visit is the capital of the USA, Washington D.C. It's a small city of mainly political importance and the White House is situated there. Other cities worth visiting are New York, Los Angeles, Las Vegas, Atlantic City, Philadelphia, Boston, and many others. All the mentioned cities have a lot to offer. For example, New York is the largest city of the country and one can see many skyscrapers in this city. Philadelphia is the city where the Declaration of Independence was signed and the main sight of the city is the Liberty Bell. Both Las Vegas and Atlantic City are world famous with its numerous casinos and entertainment facilities. The largest and the most prestigious university of America is situated in Boston. It's Harvard. Los Angeles is the home of Hollywood. Other than that, all tourists of the USA want to see the Niagara Falls and the Great Lakes, and also to swim in the Atlantic and Pacific Oceans.

USA

The United States of America is one of the greatest countries in the world. It is situated on the North American continent and is washed by three oceans: the Pacific, the Atlantic and the Arctic. The USA borders only on two countries — Canada and Mexico. This great country has a lot of mountains, rivers, lakes. The main mountains are the Appalachians and the Cordilleras. The longest rivers are the Mississippi and the Missouri. The climate of the country is varied. In the southern part it is subtropical while the northern part has very cold weather in winter. America has fifty states and one federal District of Columbia where the capital of the country is situated. The capital of the USA is Washington. It stands on the Potomac river in the eastern part of the country. The main cities are located on the Pacific and Atlantic coasts. New-York is the largest city of the country. Other large cities are San-Francisco, Los-Angeles, Detroit, Chicago, Phoenix and Dallas. The USA is a country of highly developed industry and agriculture. The main industrial centres are Chicago and Detroit, with their greatest automobile company “General Motors”. There are many farms with various agricultural products. Grain, fruit and vegetables are grown on numerous fields especially in the South. The USA is a country with great holidays, customs and traditions. It is one of the most beautiful and interesting countries in the world.
