

День Земли

Earth Day

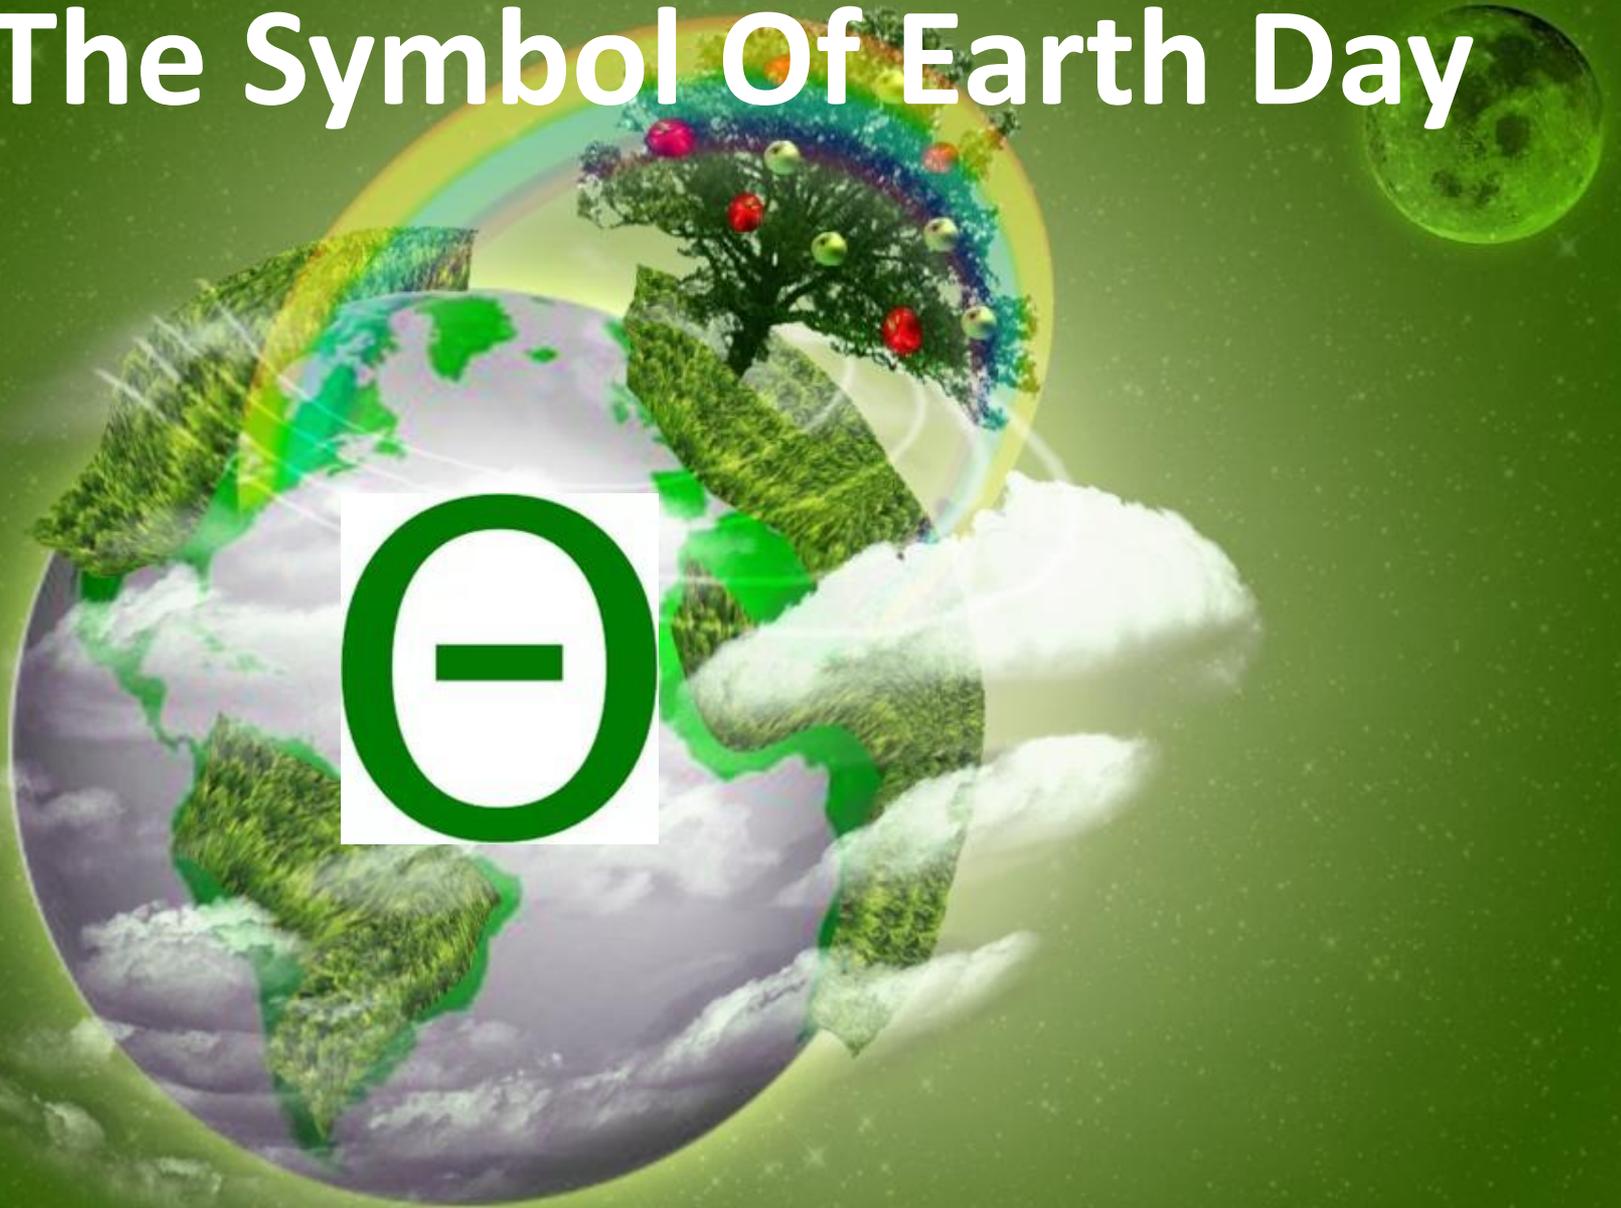

A green globe with a leafy wreath. The globe is the central focus, showing the continents of North and South America. It is surrounded by a thick green ring, and a leafy branch with several green leaves arches over the top and sides of the globe. The background is a light, textured green.

**April 22, 1994 year
was named happy
Earth Day**

The image shows a large, dark grey stone monument in a park. The monument consists of a large, rounded arch supported by four thick, cylindrical pillars. A large, dark bell is suspended from the center of the arch. The monument is set on a light-colored stone base. In the background, there are several trees with green and brown leaves, suggesting an autumn or early winter setting. The sky is overcast and grey. The text "The Peace Bell is a symbol of peace and tranquility" is overlaid in a large, white, sans-serif font across the center of the image.

**The Peace Bell
is a symbol of peace
and tranquility**

The Symbol Of Earth Day

A composite illustration featuring a central globe of Earth with green continents and blue oceans, held gently by two white hands. A vibrant rainbow arches across the top right, with a small blue dove flying above it. A lush green tree stands on the right side of the globe. The background is a light blue sky with soft white clouds and several white stars. The overall theme is environmental protection and care for the planet.

We must protect our Earth

A vibrant illustration of the Earth surrounded by various nature and sustainability symbols. The Earth is a blue and white globe in the center. Surrounding it are green leaves with water droplets, a blue water drop, a small brown house with a red roof, a red recycling arrow, a green recycling symbol, a green comb, and various other green and orange elements representing nature and environmental care.

Earth - our common home!
