- Обращайте внимание на наличие знаков препинания, связывающие слова и предлоги
- Важно помнить о сохранении времени глаголов и согласовании времен повествования
- После того, как вы восстановите текст, прочитайте его еще раз, обращая внимание на логическую связь предложений
- Убедитесь, что лишний фрагмент не подходит ни к одному пропуску
- Запишите свои ответы к **Заданию 11** в таблицу после текста, а затем перенесите их в **бланк ответов № 1** в виде последовательности цифр. Настоятельно рекомендую в процессе подготовки к экзамену распечатать бланки ответов и потренироваться их заполнять.
