The Text :

My school is OK but sometimes I find it is a bit boring and tiring because of lots of homework.

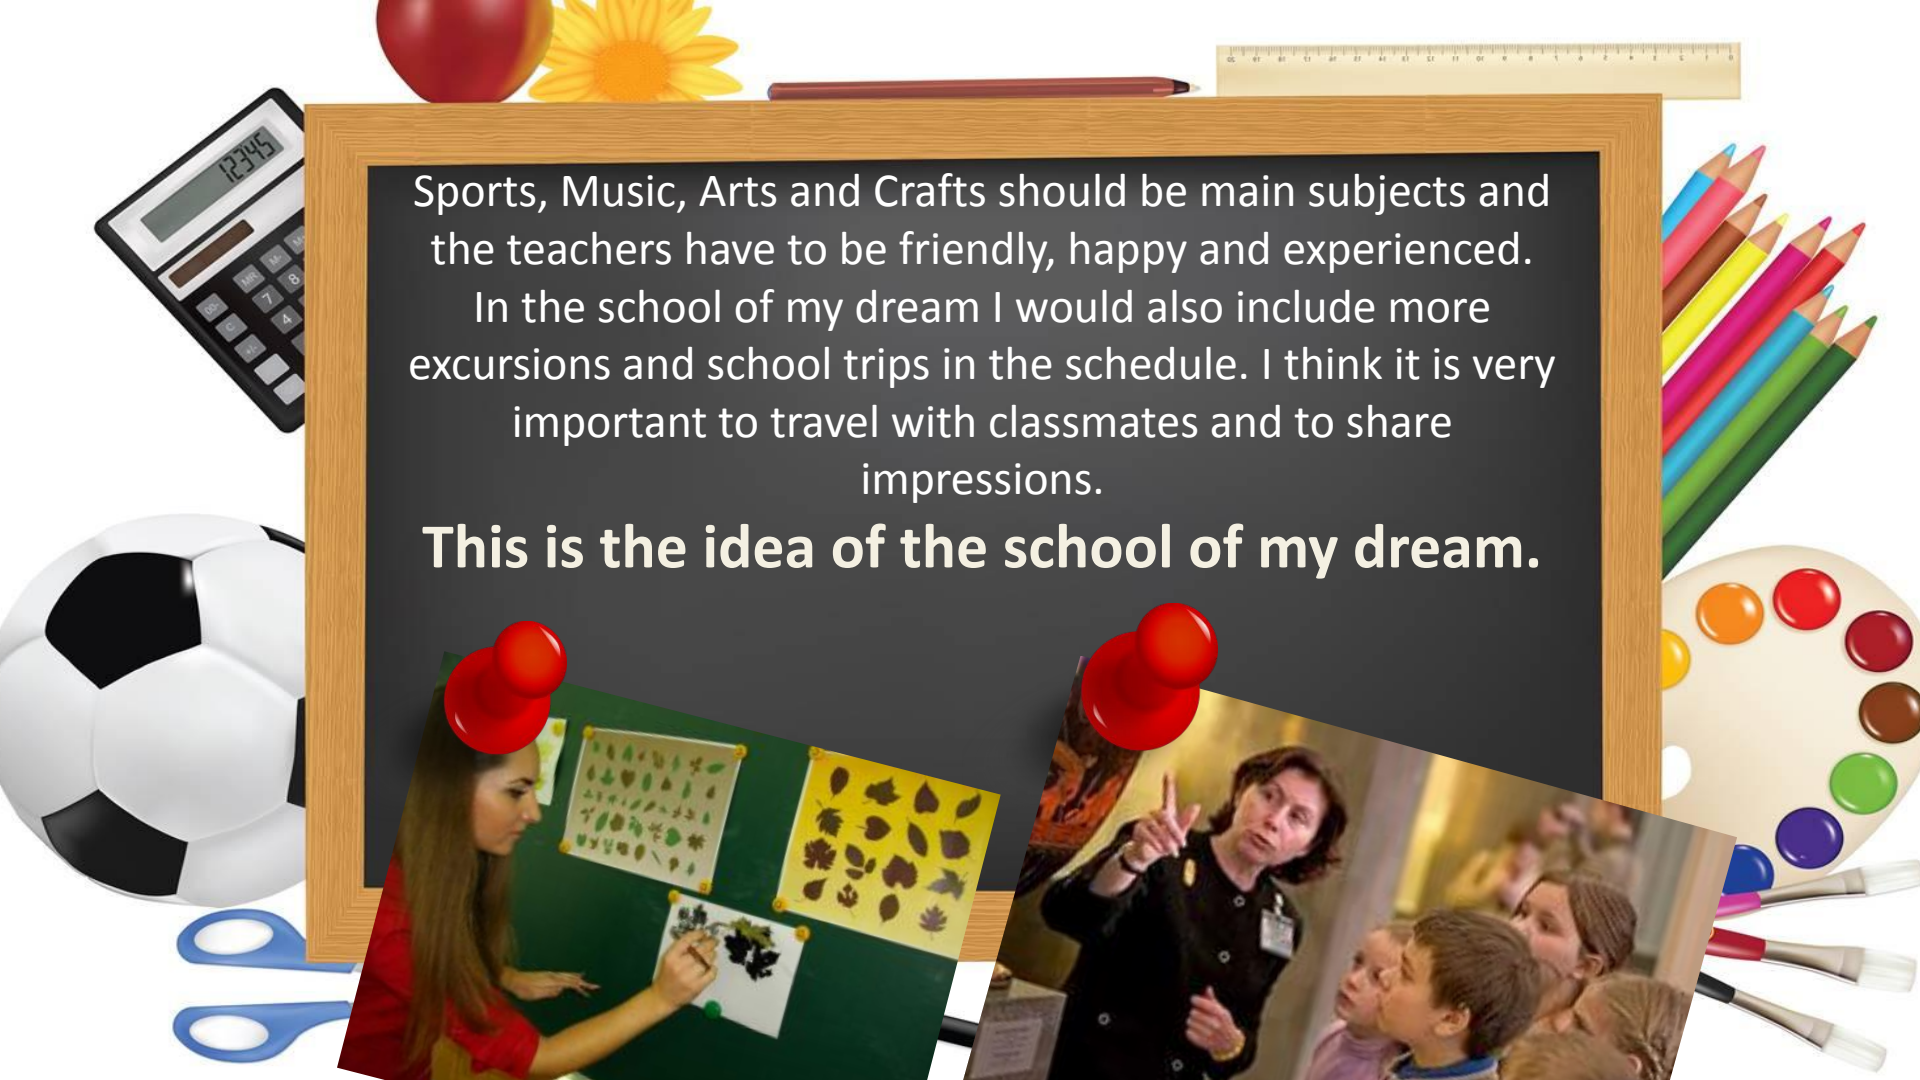

HOMEWORK

So I would like to make some changes. If I were a principal of the school I would cancel homework - I think it is wasting time! Then, I would make the breaks between lessons longer. Next, I would also improve the menu in school canteen - most of food is absolutely disgusting. The next step is holidays. Summer holidays are long enough but I would make autumn, winter and spring holidays longer to let pupils to spend more time out or to travel.

Sports, Music, Arts and Crafts should be main subjects and the teachers have to be friendly, happy and experienced. In the school of my dream I would also include more excursions and school trips in the schedule. I think it is very important to travel with classmates and to share impressions.

This is the idea of the school of my dream.
