

Good morning,

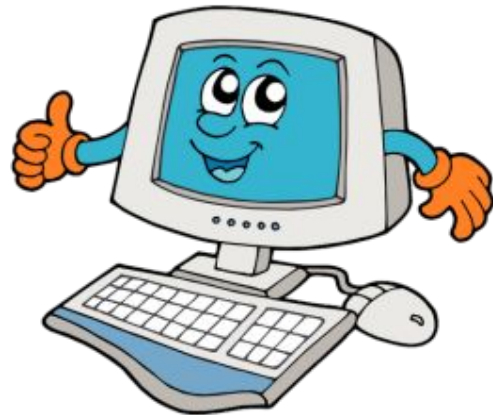

**How are
you?**

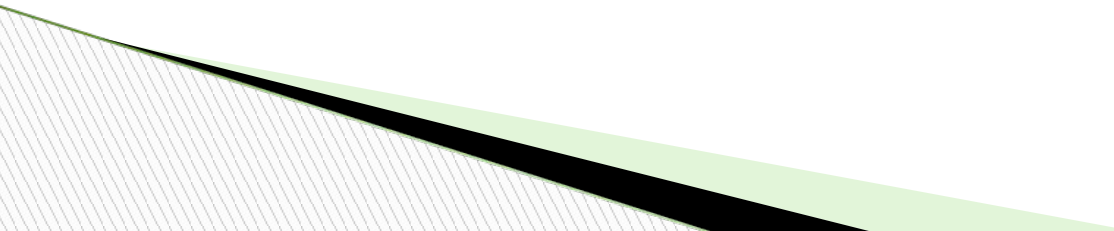

I LOVE My
Computer
Because My
Friends
Live In It

***The topic of our lesson is
the role of computer
in our life.***

At the end of the lesson everyone will be able to say:

- I can use vocabulary for the topic while listening, reading, writing and speaking.
 - I can ask and answer the questions.
 - I can share my thoughts with class and say if computers are always useful.
- 

~~Do you have an idea of how many people~~
Do you have an idea of how many people
you will see in the future every
because of spending too much time
being there? friends?

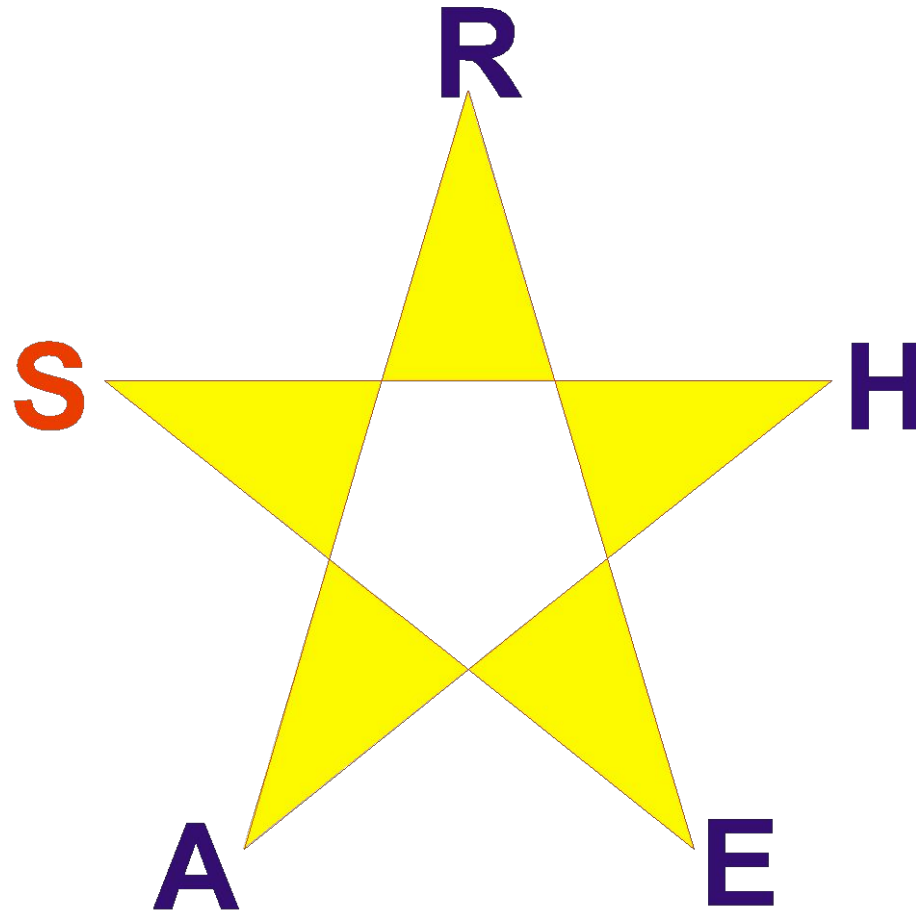

If you're **happy** and you know it,

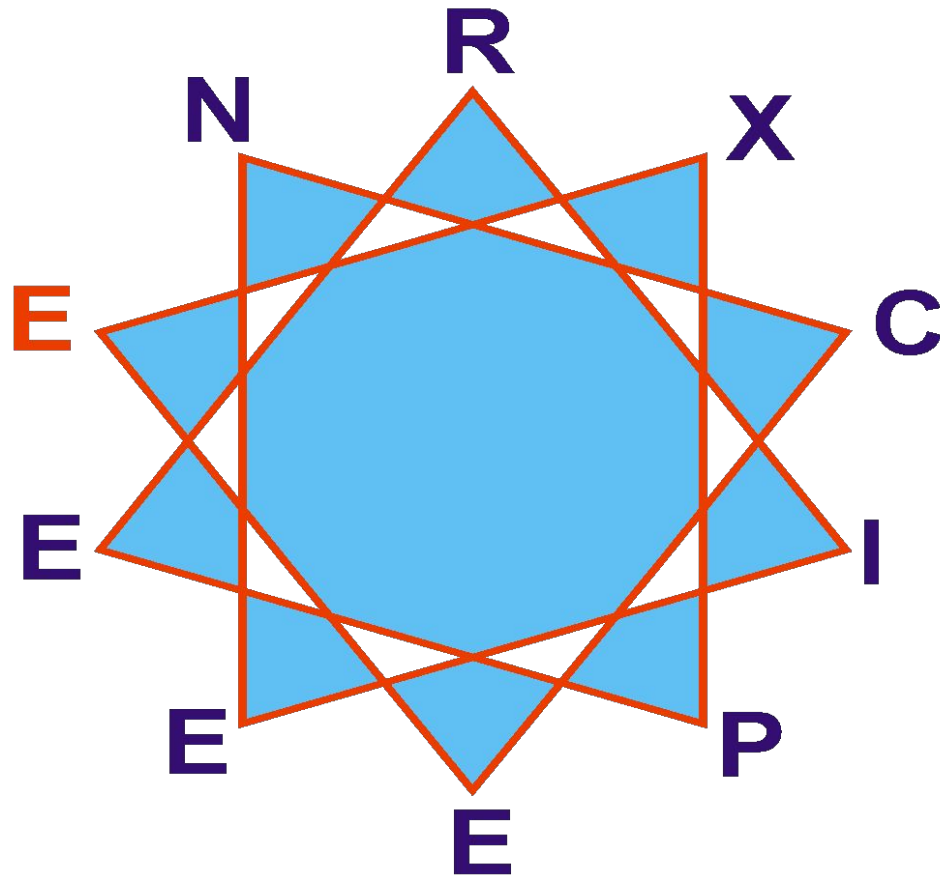

Join the words with their meaning

Experience	To have something with others
USEFUL	Knowledge that you get by doing something
TO SHARE	Synonym of helpful
