■ 1) Paint wars

15 years-old Jack Stamford is running in the woods. Someone is chasing him. Suddenly, something hits him on his leg! Don't worry, he isn't badly hurt. It's only orange paint. That's because Jack Stamford is a paintball.

Every weekend, Jack travels to a large building, field or wood to take part in a game of paintball. He's part of a team and they try to beat members of the other team. Players take roles. One week he's a spy and next he's a Tomb Raider adventurer. Games can last from two hours to two days!

Paintballing is the best hobby of all.

■ 2)Super gaming

- 14 year-old Alex Jacobs is staring at the screen with amazing concentration. Many teens play video games to relax in their free time, but for this talented teen gaming is much more serious. Alex competes with gamers all over the world in tournaments. Fans also watch him play online and he has hundreds of followers on Youtube.

- 3) His favourite game is Call of duty. Some people say to me: Why do you waste your life on video games? Alex says. Luckily his friends and family support to him and often travel to watch him play in tournaments. He`s playing in an important one next month.
- So does Alex do other things? I enjoy hanging out with my friends at the local basketball court, he says, so I`m not completely square-eyed.
