

ИТОГИ

The background is a light beige color with a pattern of thin, parallel diagonal lines. Scattered across the background are various colorful icons of books and stacks of books. The books are drawn in a simple, line-art style with flat colors for the covers. The colors used for the books include pink, green, yellow, and blue. There are also small, solid-colored circles in the same color palette (pink, green, yellow, blue) scattered throughout the background.

Математика

The background is white and decorated with various colorful elements. There are small dots in shades of blue, green, yellow, and red scattered throughout. Larger, semi-transparent circles in blue, green, and red are also present. Several stylized line-art icons of books are scattered around the page, some in different colors like red, green, and yellow. The word 'Математика' is written in a large, bold, green font in the center.

The background is white with scattered colorful dots in shades of blue, green, yellow, and red. There are several stylized line-art icons of books and stacks of papers in various colors (red, green, blue, yellow) scattered around the text.

Что такое величина?

Величина – это признак, по которому предмет может быть больше или меньше.
