

What Londoners Actually Wear

{ A. Kochergina

Stella McCartney

Vivienne Westwood

Though British *designers* are world famous and *renowned for their sense of style and unconventionality* the majority of British people are dressed *conservatively* rather than *fashionable*

Bill Blass

Barristers, diplomats, army officers and Conservative MPs dress *in the well – tried style* of the past 50 years or so.

Marks & Spencer London store

In Britain many people, especially students and other young people, happily look for *bargains* at thousands of *charity shops* that exist all over the country.
