СНЕЖНАЯ КОРОЛЕВА

Линдг

The background is a vibrant, hand-drawn illustration. It depicts a town with several buildings, including a prominent church with a tall, dark spire. The roofs are in shades of red, orange, and brown. In the sky, there are several green, winged creatures resembling dragons or goblins, some of which are flying towards the left. A bright yellow sun with a face is partially visible on the far left. The sky is a pale blue with some white clouds. The overall style is whimsical and fantastical.

A vibrant, stylized illustration of a winter scene. In the foreground, a large, ornate sleigh with a pink and white striped interior is being pulled by a reindeer. The sleigh is filled with snow and decorated with star-like patterns. In the background, a small, cozy house with a chimney is nestled among snow-covered trees. The sky is a mix of blue and white, suggesting a bright, snowy day. The overall style is reminiscent of a children's book illustration.
