An aerial photograph of London, England, taken during the "golden hour" of sunset. The River Thames flows through the center of the frame. On the left bank, the Elizabeth Tower (Big Ben) stands prominently, its clock face illuminated. In the foreground, the intricate Gothic architecture of Westminster Abbey is visible. On the right bank, the London Eye, a massive Ferris wheel, is a central focus. The city's skyline is filled with various buildings, some with lights beginning to glow. The sky is a mix of soft orange, yellow, and pale blue, with wispy clouds. The overall mood is serene and majestic.
