**Use these steps to change the tablet color:**

1. Click the tablet border artwork once.
2. Double click the same area to isolate the gradient overlay.
3. Move the overlay piece to the side.
4. Double click the border again to select the tablet and adjust the color gradient slider in the Format Shape pane to your desired color(s).
5. Click the gradient overlay piece and adjust the colors to match the new tablet color.
6. Reposition the gradient overlay piece on top of the tablet.
