Saint-Petersburg has got a lot of interesting places

Square of Arts

The Russian Museum

Saint-Petersburg has a lot of other interesting places like 2 circuses, sea aquarium, dolphinarium, parks of attraction and even Cheburashka's zoo.

Circus on Fontanka river

- This circus is large and beautiful. People like to visit this place because there show a amazing and interesting performances.

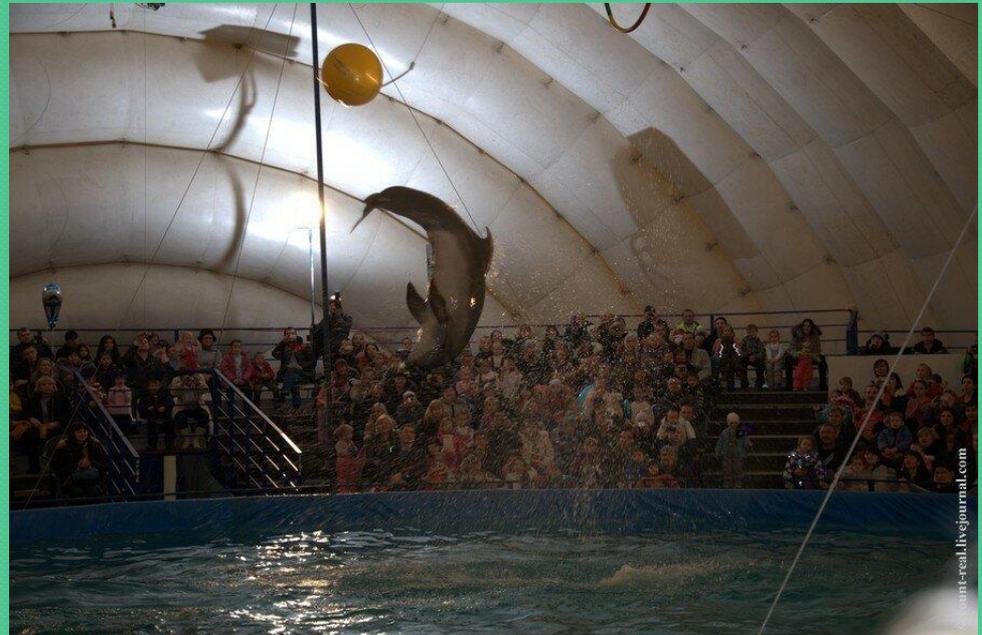

Seaquariums on Marata street

- There you can see a lot of incredible fish, slopes and even sharks. Here wonderful lighting and perfect for viewing sea creatures.

Dolphinariums

- Saint-Petersburg has a dolphinarium on Fuchika street. There you can swim with dolphins and do different tricks with their, and also you can see performances with dolphins.

Park of attraction on Divo-Ostrov

- This park has a lot of amazing attraction. Here and roller coaster and Ferris wheels and attraction for children. This park you don*t forget.

Cheburashka*s park

- This a gorgeous park for stroll. There you can pat rabbit, goats and even raccoons. Here you can just relax and take a walk.

Thanks for attention.
