

The 3rd of November

**Kazakhstan is my
Motherland**

The State Symbols of the Republic of Kazakhstan

- The state symbols of the Republic of Kazakhstan are:
 - the National flag,
 - the State emblem,
 - the National anthem.

The founder of the National flag of RK is an artist Shaken Niyazbekov.

- **The National flag of the Republic of Kazakhstan represents a rectangular panel of blue colour with the image of the sun with beams in the center, under which there is a soaring eagle. At a staff there is a national ornament in the form of a vertical strip. The image of the sun, its beams, an eagle and a national ornament shall be colours of gold.**
- **The parity of width of the Flag to its length is 1:2.**

**The Emblem was created by
Zhandarbek Malibekov
and Shota Walikhanov**

- **The State Emblem of the Republic of Kazakhstan has the form of a circle and represents the image of shanyrak (the top vaulted part of a yurt) from which uykys (supports) in the form of solar beams miss in all directions. On the right and to the left of shanyrak images of mythical winged horses are located. In the top part the volumetric (объемная) five-pointed star, and in the bottom part an inscription "Қазақстан" are located. The image of a star, shanyrak, uykys, mythical winged horses, and the inscription "Қазақстан" shall be colours of gold.**

Astana

Astana - the capital of the Republic of Kazakhstan , a symbol of national unity , the essence of the strategic plans and aspirations of an independent state , a major national project to create an ultra-modern metropolis of the XXI century . Strategic thinking is the President of the Republic of Kazakhstan NA Nazarbayev has identified a promising line of development of the country in the long term , the transfer of the capital was the beginning of a new era in the history of the global independent state.

Medeu

The world's famous skating rink Medeu was built in 1972 in a picturesque gorge located 15 km. from Almaty. Its 10,500 sq. meter ice area is the best place for outdoor world competitions in speed skating, Russian hockey figure skating and other sports event! Special refrigerating equipment provides the ice-cover of the skating field 8 months a year and ice tracks are kept ready for skating all year¹ round. Over 120 world records have been set there by the world's strongest skaters.
