- The Imagin Dragons is an American indie rock group with 4 members, formed July 20, 2008 in Las Vegas. They became known after the release of the first album Night Visions in September 2012.

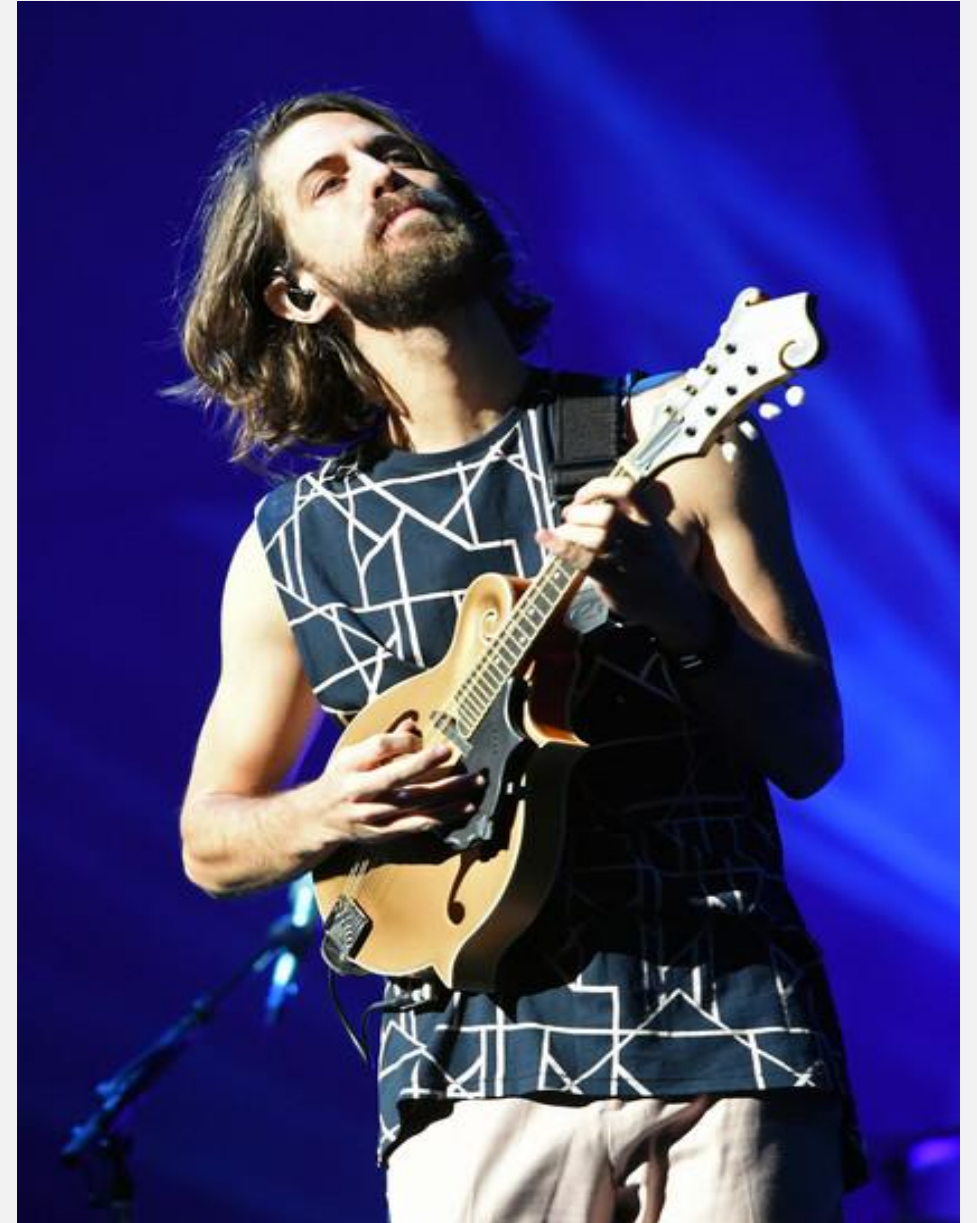

DAN REYNOLDS

Born in Las Vegas on
July 14, 1987.
Vocalist and founder
of the group.
American singer,
songwriter, musician
and music producer.

WAYNE SERMON

Born June 15, 1984
at American Fork. In
his youth, he learned
to play the cello and
guitar. From
childhood, he
decided to become a
guitarist. Married to
Alexander Hall.

DANIEL PLATZMAN

He was in Atlanta on September 28, 1986. Member of the group since 2011. He plays the drums, is a backing vocalist.

BEN MCKEE

Born April 7, 1985
in California. He
began to study
music at school
and decided to
connect his whole
life with it.

Imagine Dragons are considered the heroes of their time. The band members create truly high-quality and memorable music in various genres - indie, pop, rock, electronics, in which they raise important social issues. Moreover, their songs most often have positive energy and drive, for which thousands of fans from all over the world love musicians.
