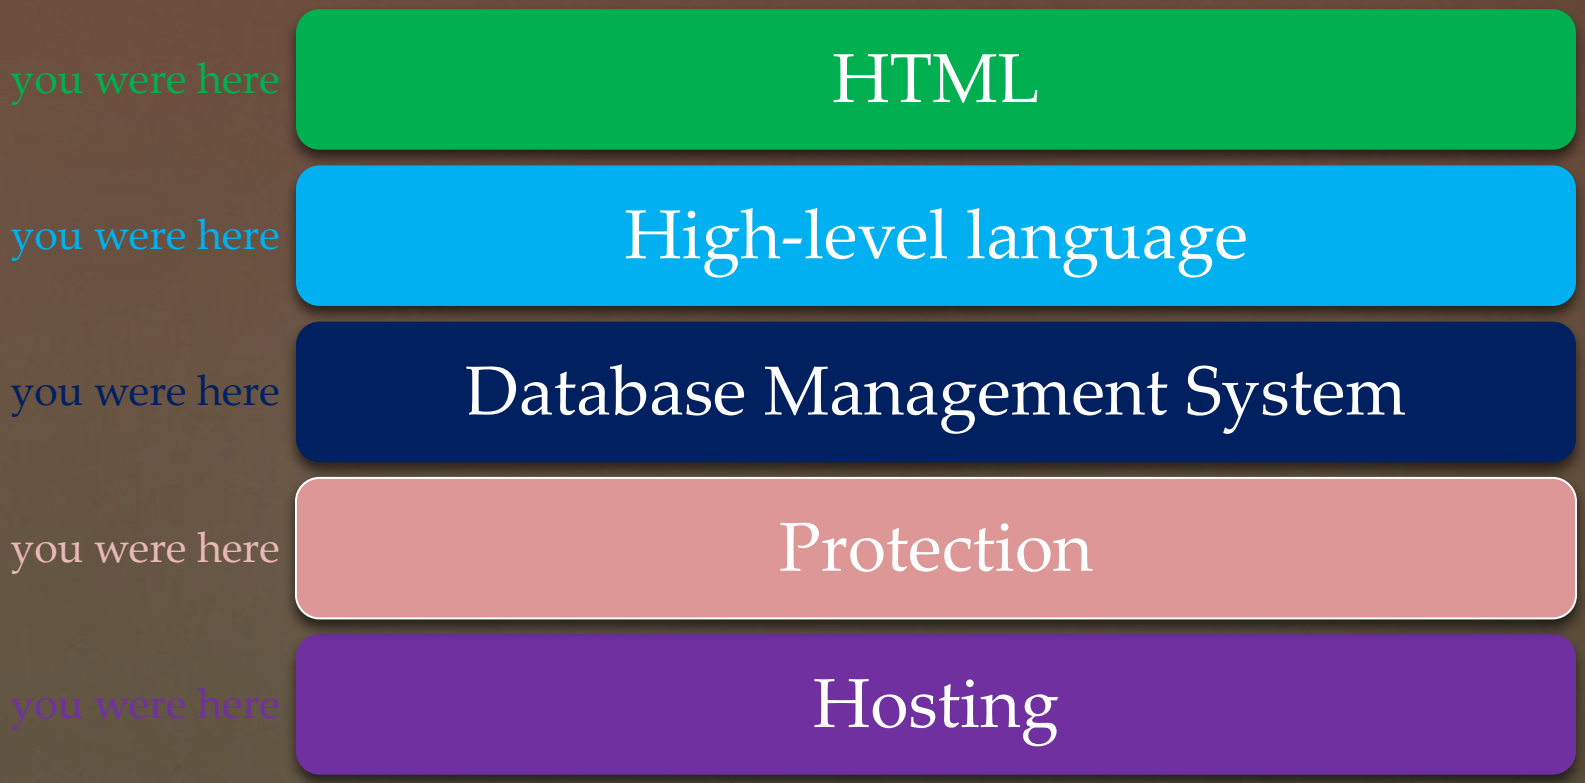
Designing of Website

```
<?php
echo 'Presentation is created by Ivan Podlesnyi';
?>
```



What do you need?

```
<html>
<head>
<title> Best page of all</title>
</head>
<body>
<h1> LOOK, I wrote it like on HTML, looooool</h1>
</body>
</html>
```

index.html

```
<!DOCTYPE html>
<html>
    <head>
        <title>Моя первая html-страничка</title>
    </head>

    <body>
        <h1>Заголовок</h1>
        <p>
            Текст страницы
        </p>
    </body>
</html>
