

Prepositions of time

- **In** the morning **утром**
- **In** the afternoon **днём**
- **In** the evening **вечером**
- **At** (night) **ночь**
- **At** 5 o'clock **в 5 часов**

The background is a soft watercolor wash in shades of light purple, lavender, and pale pink. Scattered throughout are small white dots and splatters, giving it a delicate, artistic feel. In the top right and bottom left corners, there are clusters of blueberries and raspberries, rendered in a soft, painterly style that blends with the background colors.
